WALT DISNEY'S

DONALD DUCK

FUN LIBRARY

Presenting issue number eight of your favourite Disney cartoon magazine! As usual, you get lots of fun-filled adventures for your money; this month there are no less than six hilarious stories! And, of course, you can add to your collection of fun stickers with our latest pin-up—Goofy!

Start reading now and laugh along with all your Disneyland friends, as Uncle Scrooge takes Donald's car as a forfeit for his unpaid debts, and doesn't bargain for the unexpected results! Goofy and Mickey go prospecting for gold, and a birthday present gnome helps Uncle Scrooge discover some strange hot springs in his garden. The Big Bad Wolf takes to skis to try to catch the Three Little Pigs, Goofy's chivalrous attempt to be like Sir Walter Raleigh backfires, and Uncle Scrooge almost loses his Indian teak plantation to the conniving Beagle Boys!

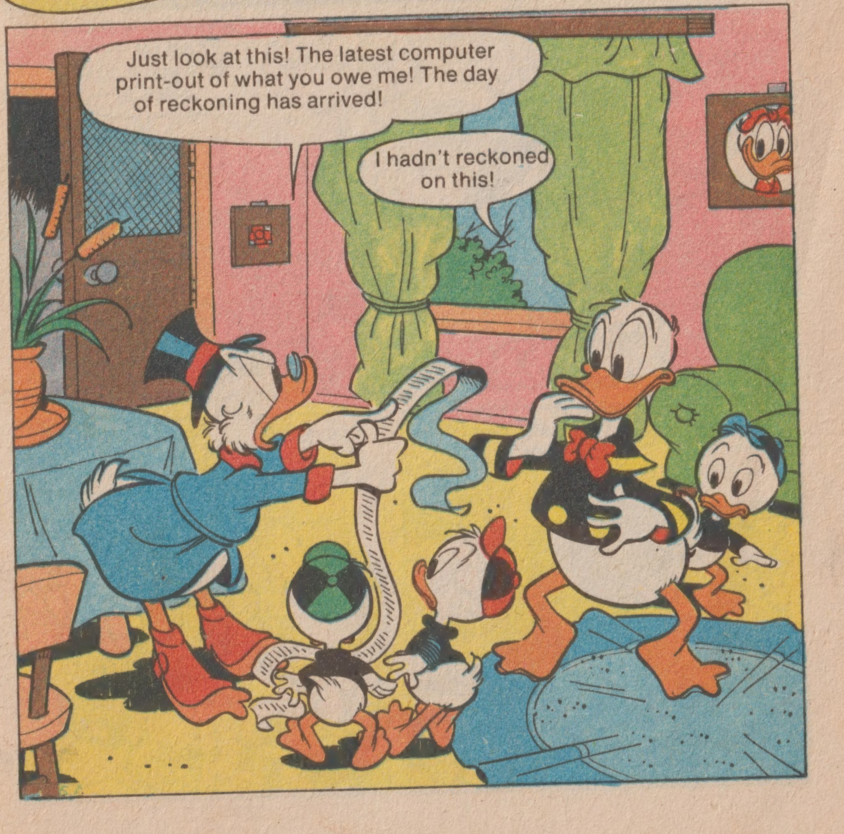
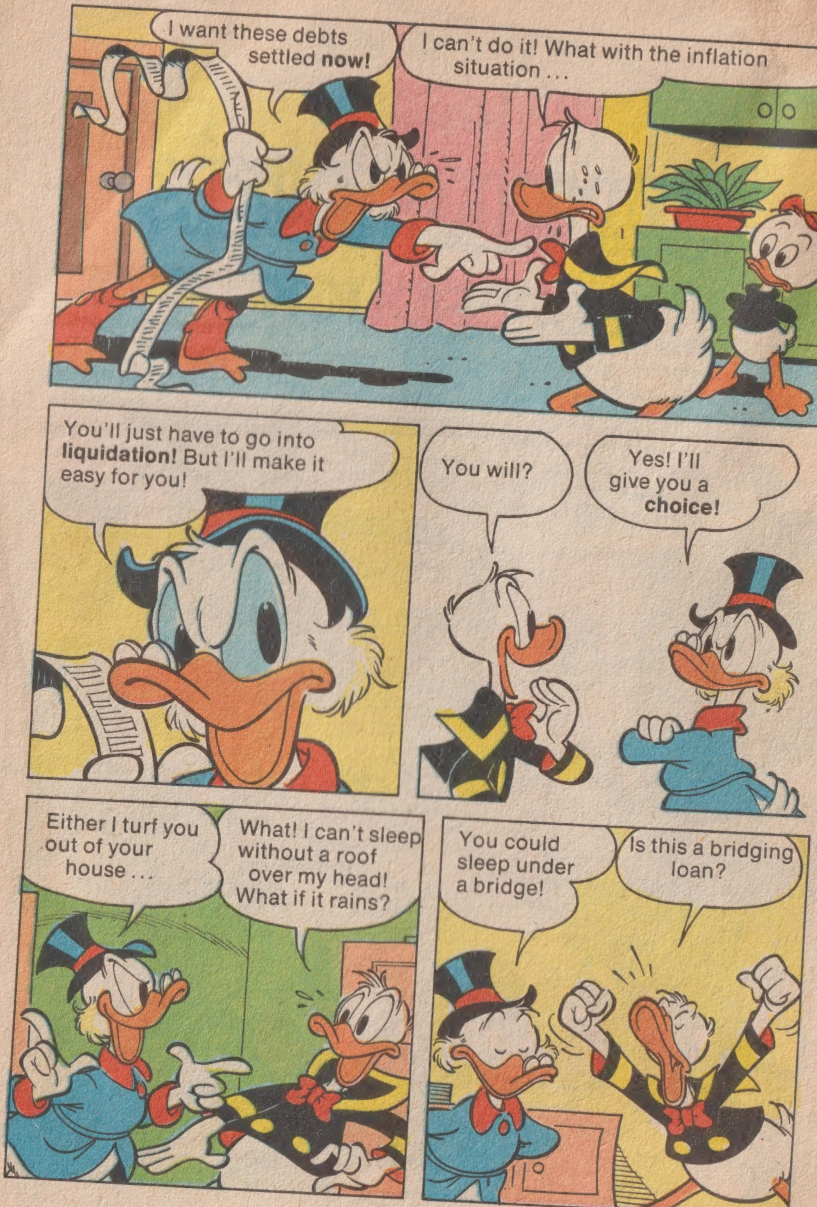
WALT DISNEY'S

DONALD DUCK

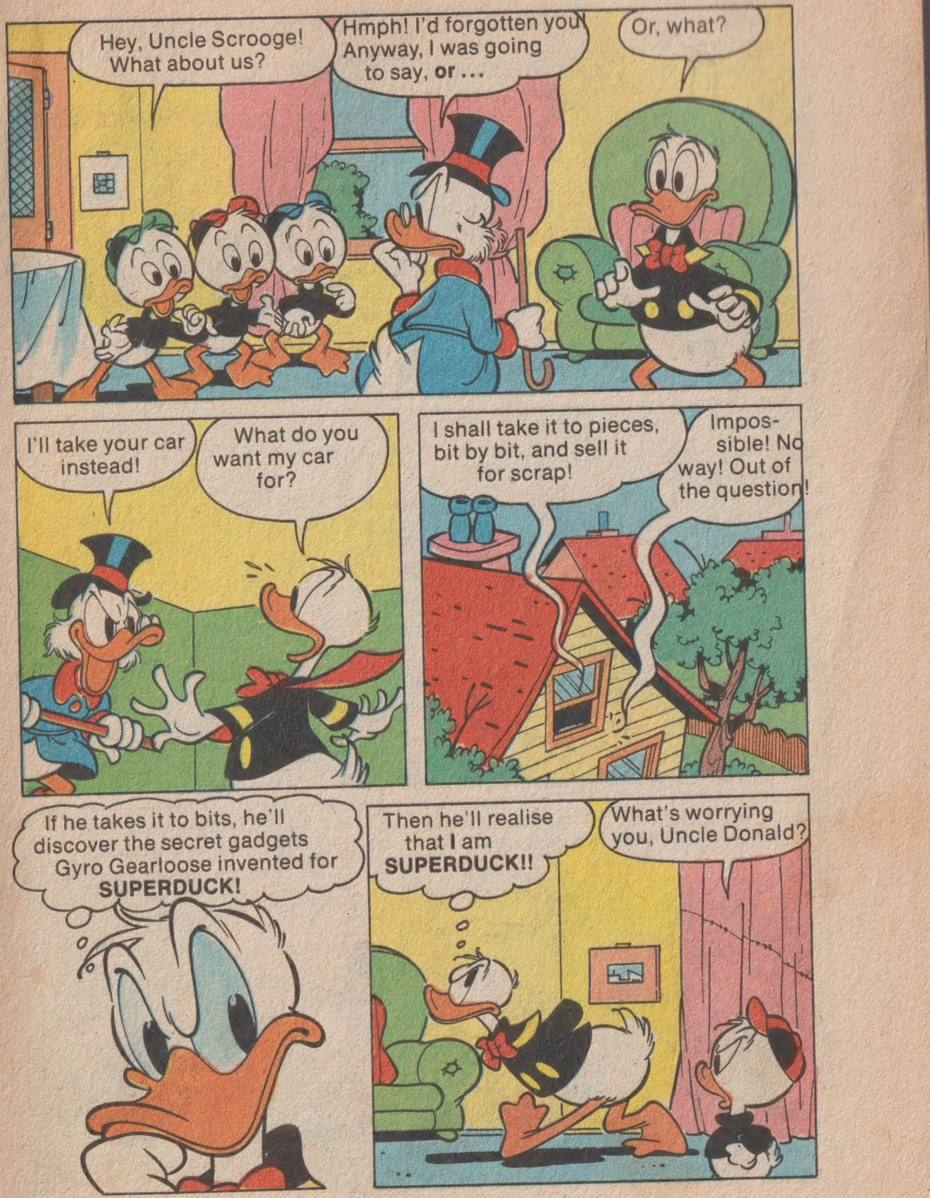
SUPERDUCK



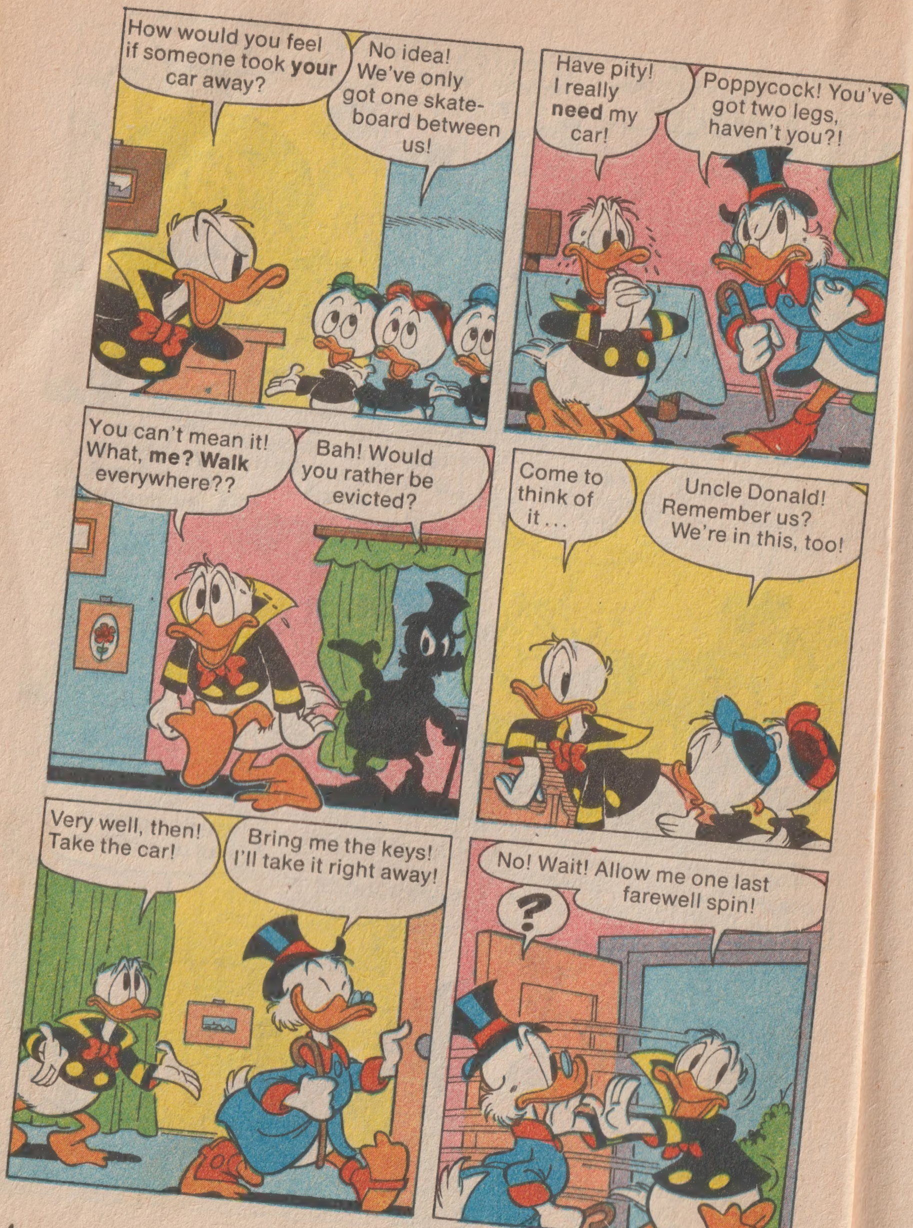
Just look at this! The latest computer print-out of what you owe me! The day of reckoning has arrived!
I hadn't reckoned on this!



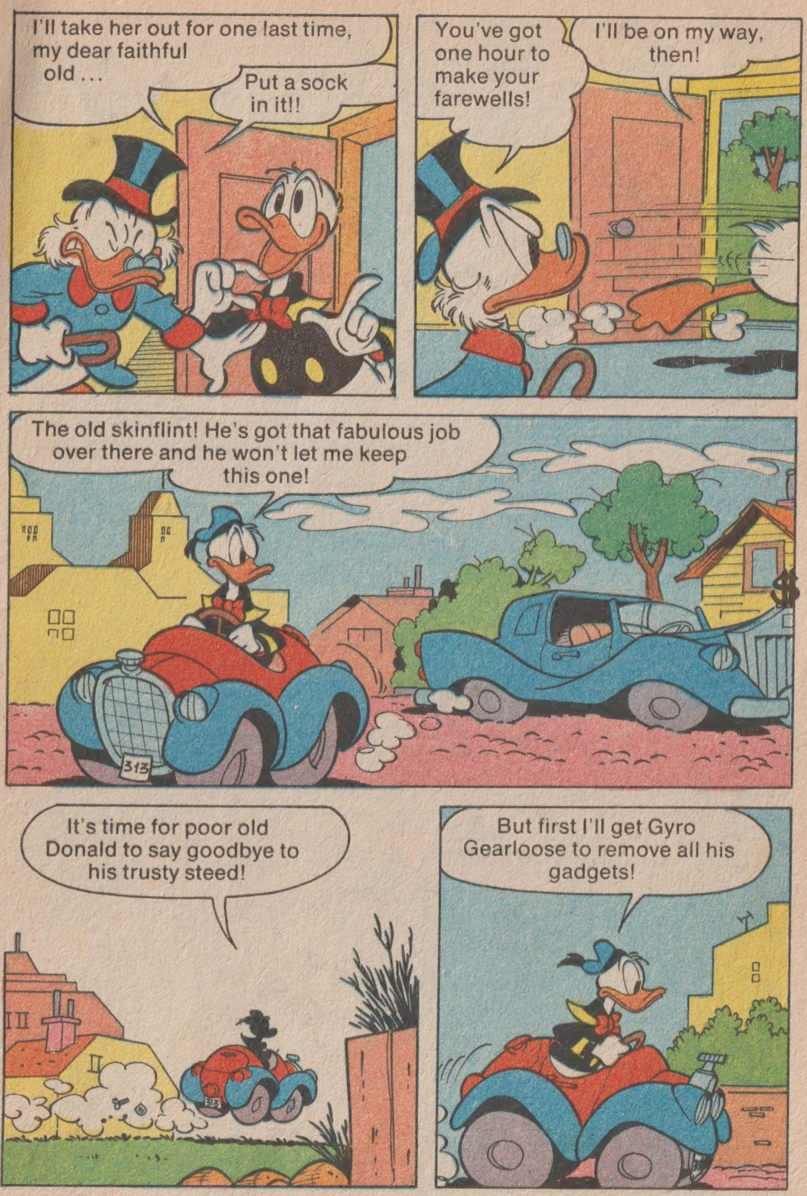
I want these debts settled **now!**
I can't do it! What with the inflation situation ...
You'll just have to go into **liquidation!** But I'll make it easy for you!
You will?
Yes! I'll give you a **choice!**
Either I turf you out of your house ...
What! I can't sleep without a roof over my head! What if it rains?
You could sleep under a bridge!
Is this a bridging loan?



Hey, Uncle Scrooge! What about us?
Hmph! I'd forgotten you! Anyway, I was going to say, **or ...**
Or, what?
I'll take your car instead!
What do you want my car for?
I shall take it to pieces, bit by bit, and sell it for scrap!
Impossible! No way! Out of the question!
If he takes it to bits, he'll discover the secret gadgets Gyro Gearloose invented for **SUPERDUCK!**
Then he'll realise that **I** am **SUPERDUCK!!**
What's worrying you, Uncle Donald?



How would you feel if someone took **your** car away?
No idea! We've only got one skate-board between us!
Have pity! I really **need** my car!
Poppycock! You've got two legs, haven't you?!
You can't mean it! What, **me? Walk** everywhere??
Bah! Would you rather be evicted?
Come to think of it . . .
Uncle Donald! Remember us? We're in this, too!
Very well, then! Take the car!
Bring me the keys! I'll take it right away!
?
No! Wait! Allow me one last farewell spin!



I'll take her out for one last time, my dear faithful old . . .
Put a sock in it!!
You've got one hour to make your farewells!
I'll be on my way, then!
The old skinflint! He's got that fabulous job over there and he won't let me keep this one!

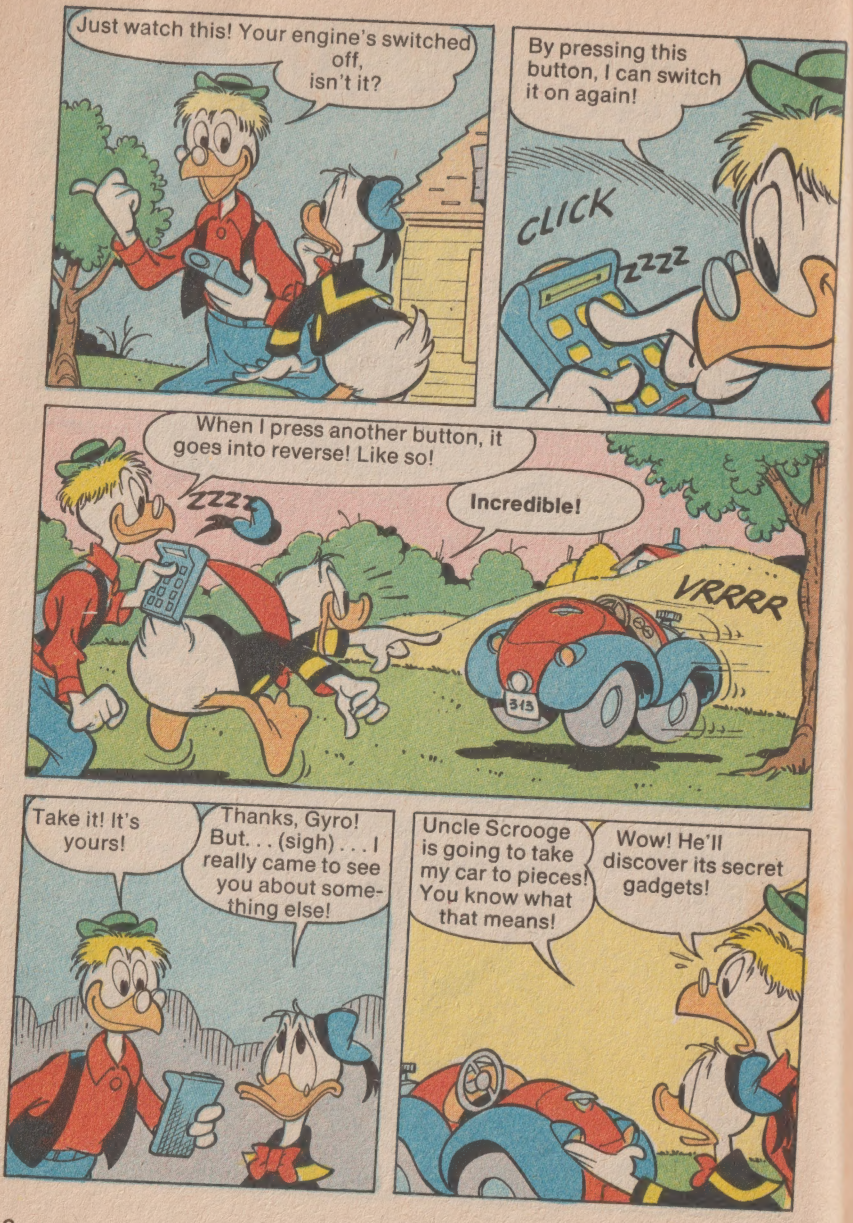
Oh, yeah!
It's my new tele-control computer!
With this little box of tricks I can control any vehicle within a radius of 100 yards!



Just watch this! Your engine's switched off, isn't it?
By pressing this button, I can switch it on again!

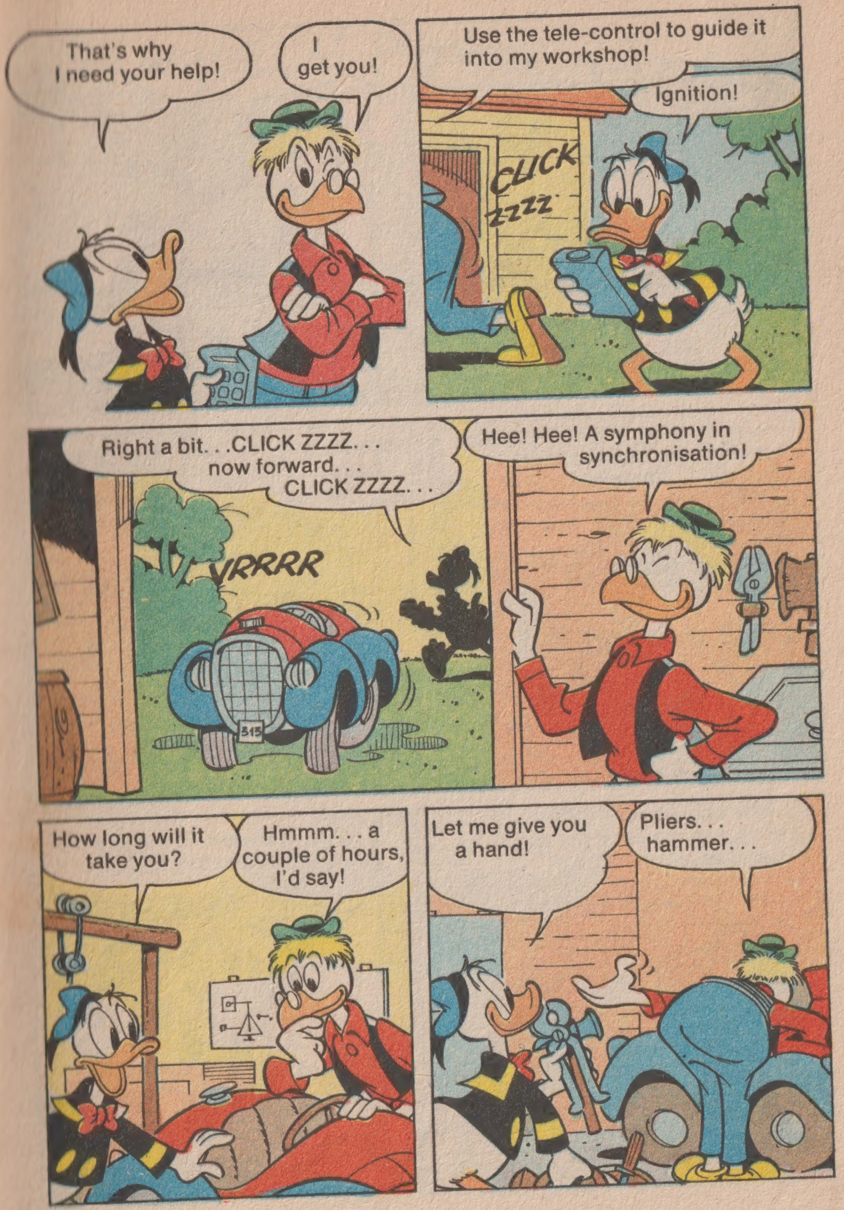
Thanks, Gyro! But. . . (sigh) . . . I really came to see you about something else!
Uncle Scrooge is going to take my car to pieces! You know what that means!
Wow! He'll discover its secret gadgets!



That's why I need your help!
I get you!
Use the tele-control to guide it into my workshop!

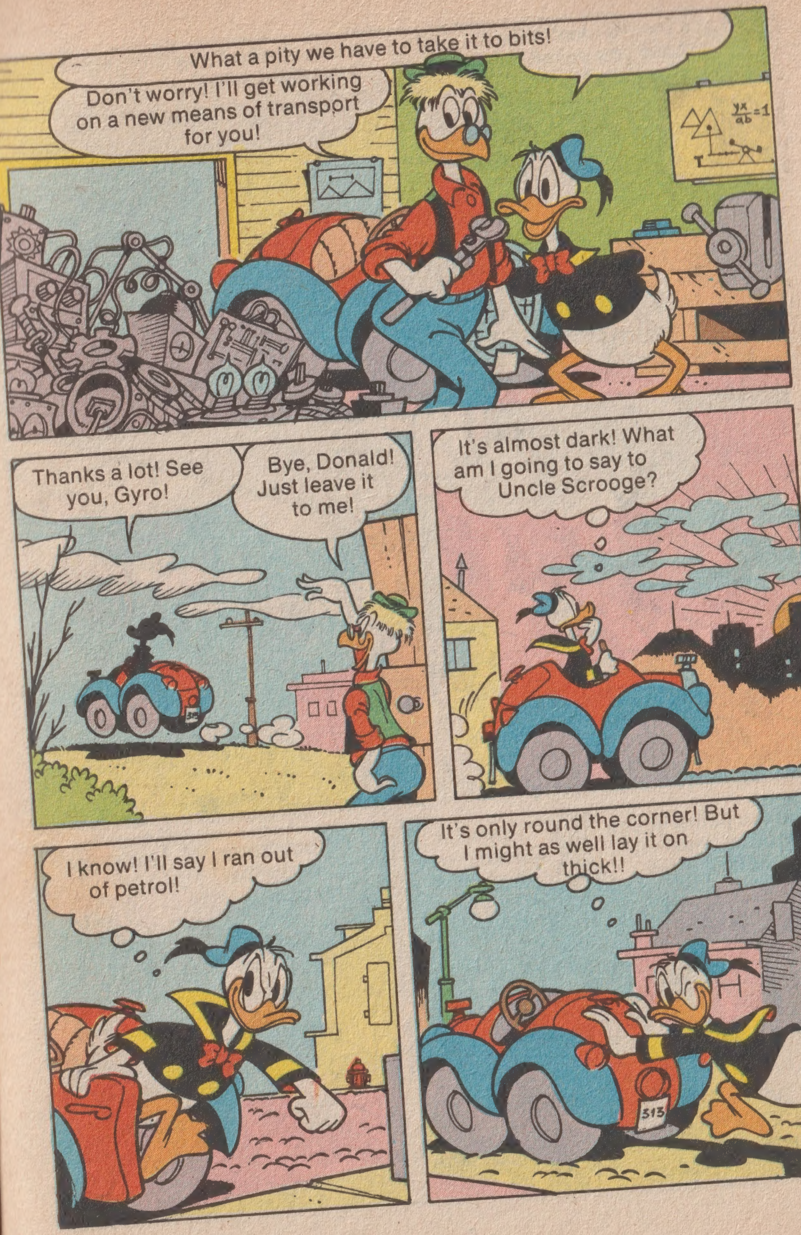
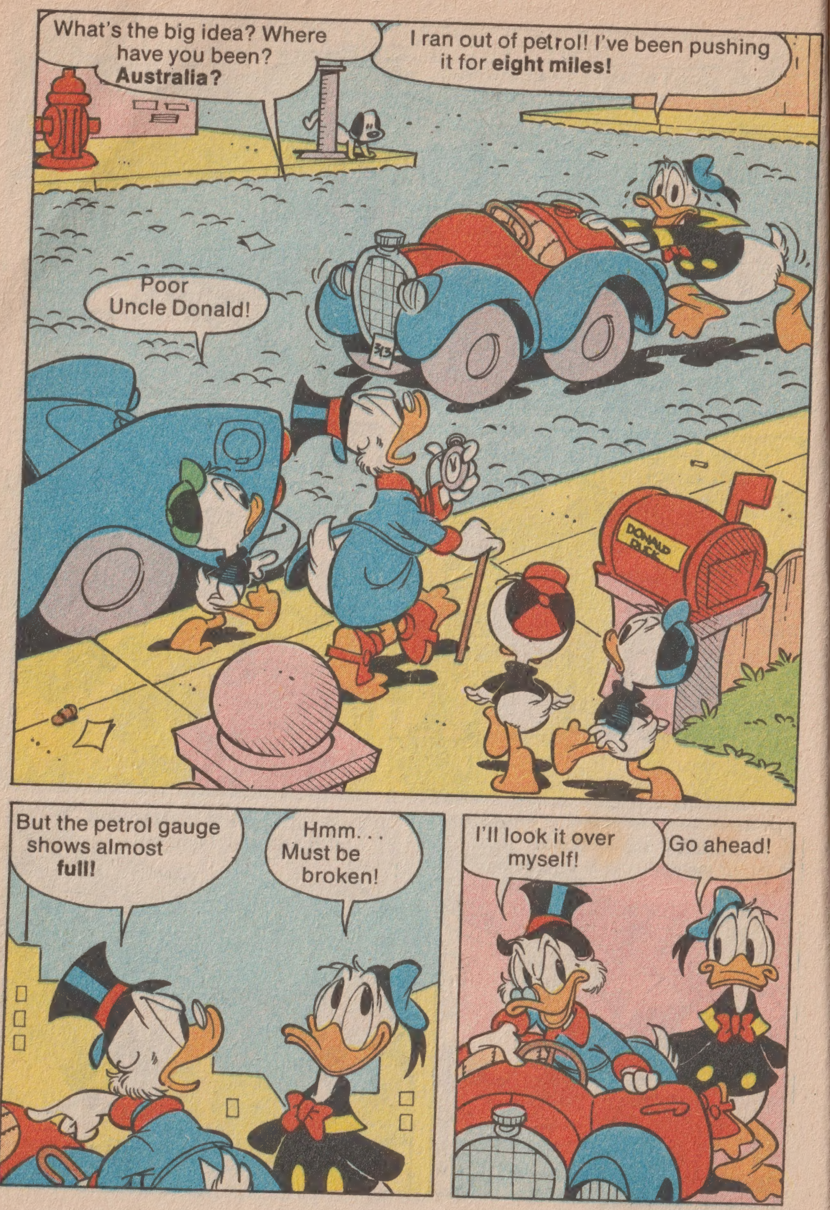
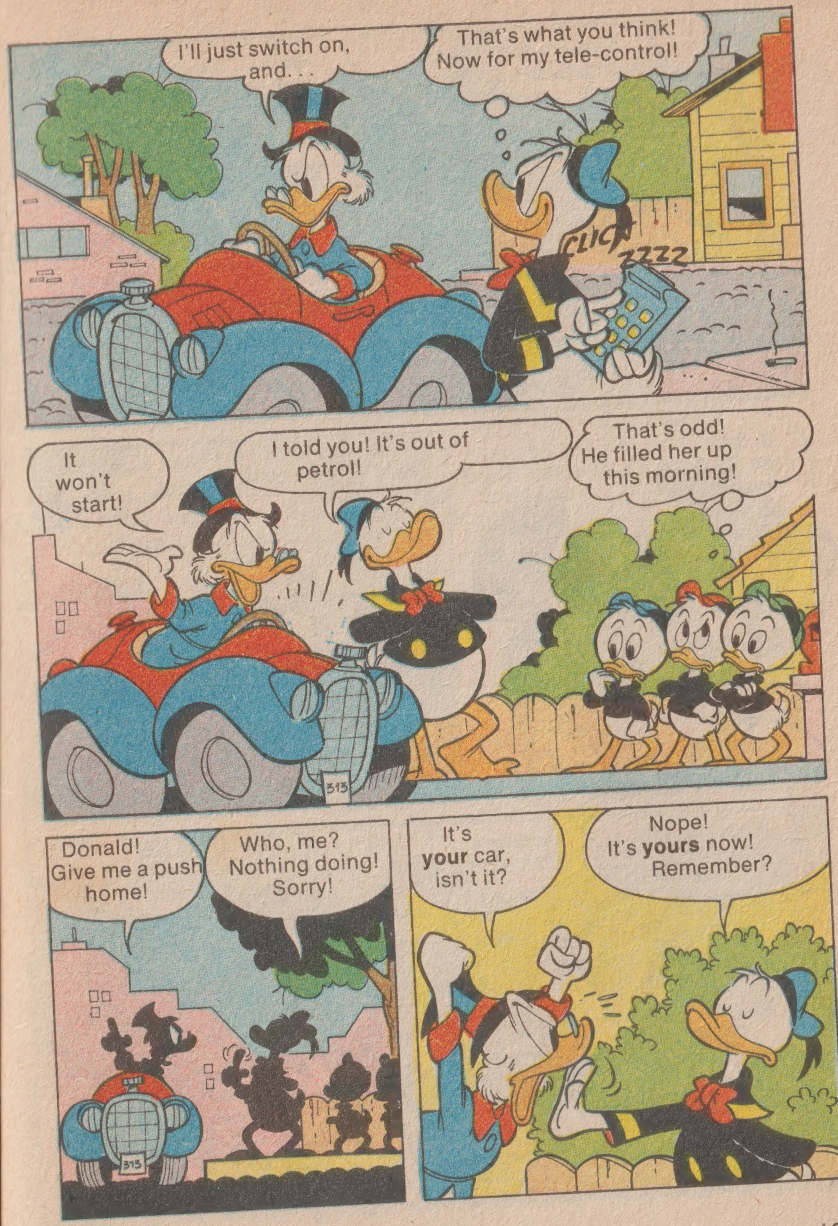
Hrmph! It's over an hour! That wastrel is wasting MY time now!
Er. . . can we say something?
If you're thinking of making exuses for him, you can save your breath!
But. . . but. . .
Do you think it's fair to take away his car like that?
And do you think it's fair not to pay your rent for seven years?
. . .and to shop in my supermarket and burst into tears at the check-out every time for the past five years?
TEARS AT THE CHECK-OUT?
That's what I said! He spins his usual sob-story and gets extended credit!



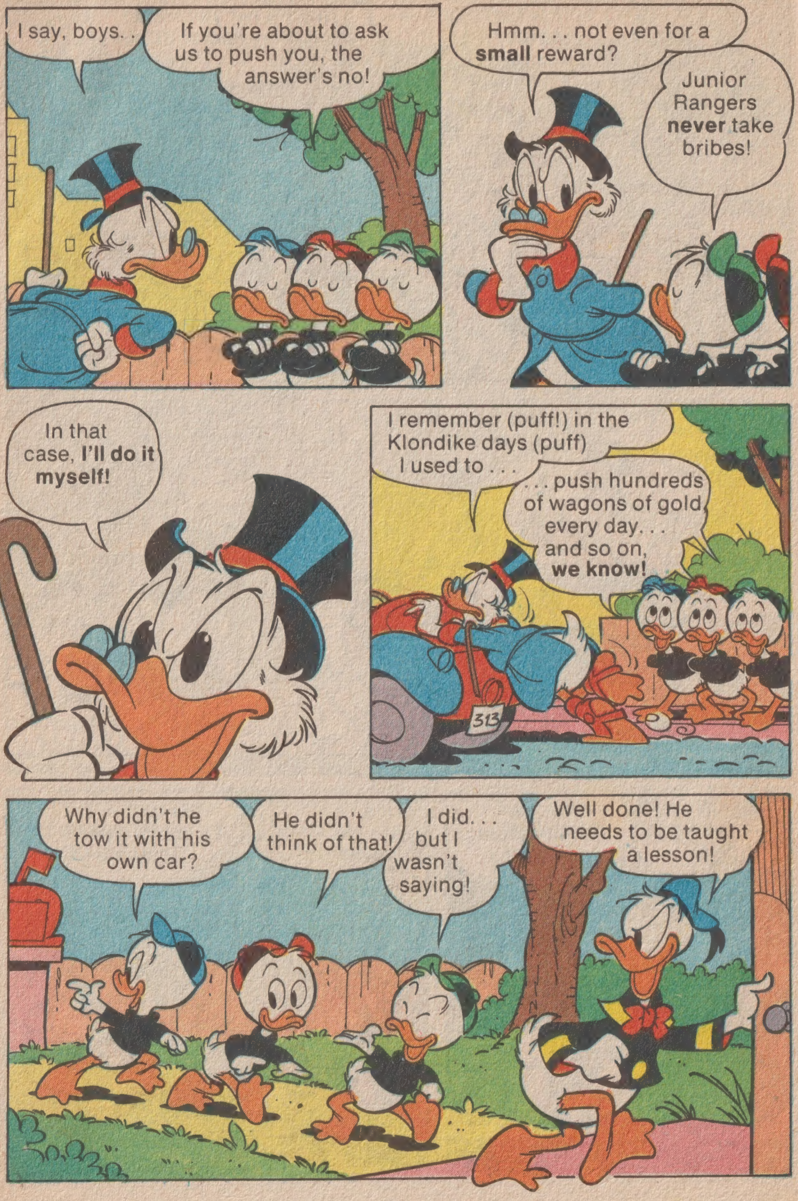
What a pity we have to take it to bits!
Don't worry! I'll get working on a new means of transport for you!
Thanks a lot! See you, Gyro!
Bye, Donald! Just leave it to me!
It's almost dark! What am I going to say to Uncle Scrooge?
I know! I'll say I ran out of petrol!
It's only round the corner! But I might as well lay it on thick!!
313



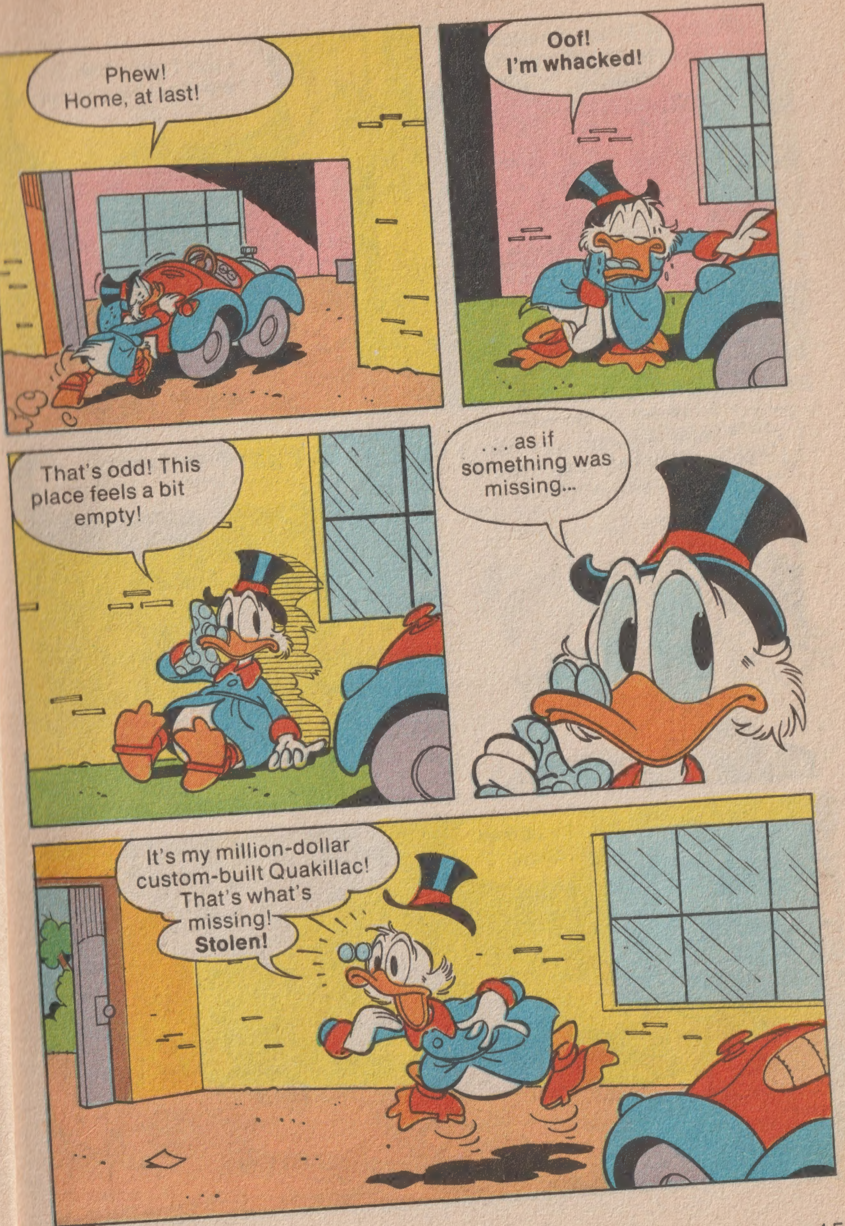
What's the big idea? Where have you been? **Australia?**
I ran out of petrol! I've been pushing it for **eight miles!**
Poor Uncle Donald!
DONALD DUCK
313
But the petrol gauge shows almost **full!**
Hmm. . . Must be broken!
I'll look it over myself!
Go ahead!



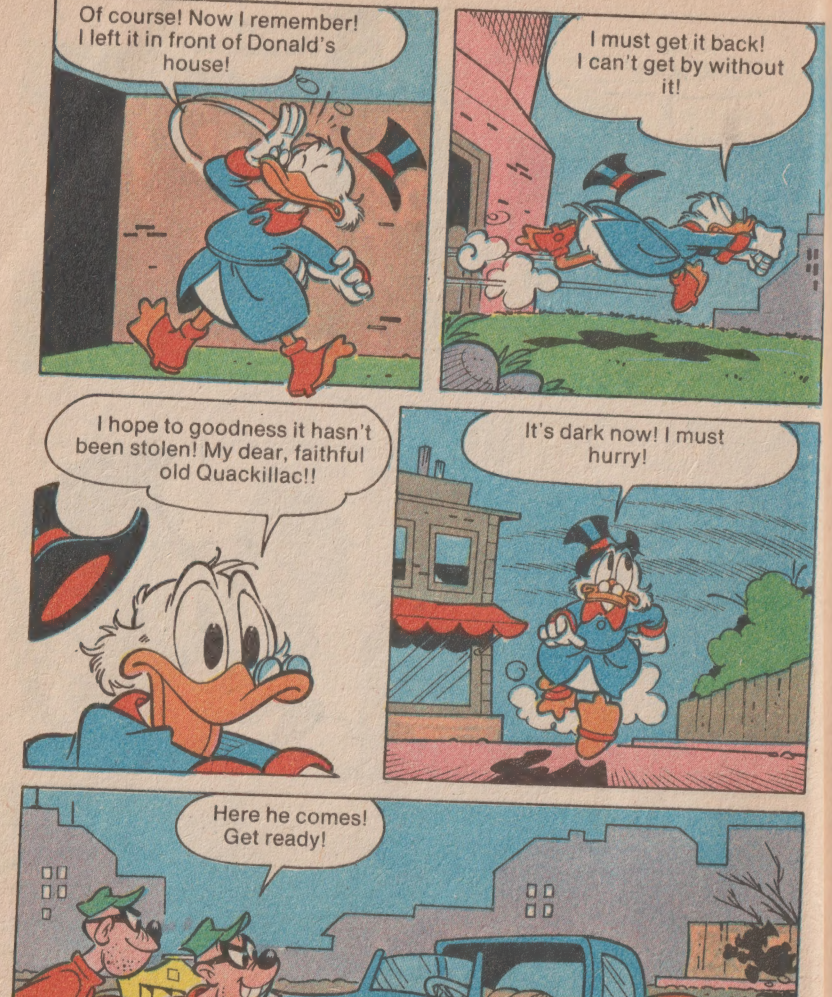
I'll just switch on, and. . .
That's what you think! Now for my tele-control!
CLICK
ZZZZ
It won't start!
I told you! It's out of petrol!
That's odd! He filled her up this morning!
313
Donald! Give me a push home!
Who, me? Nothing doing! Sorry!
313
It's **your** car, isn't it?
Nope! It's **yours** now! Remember?



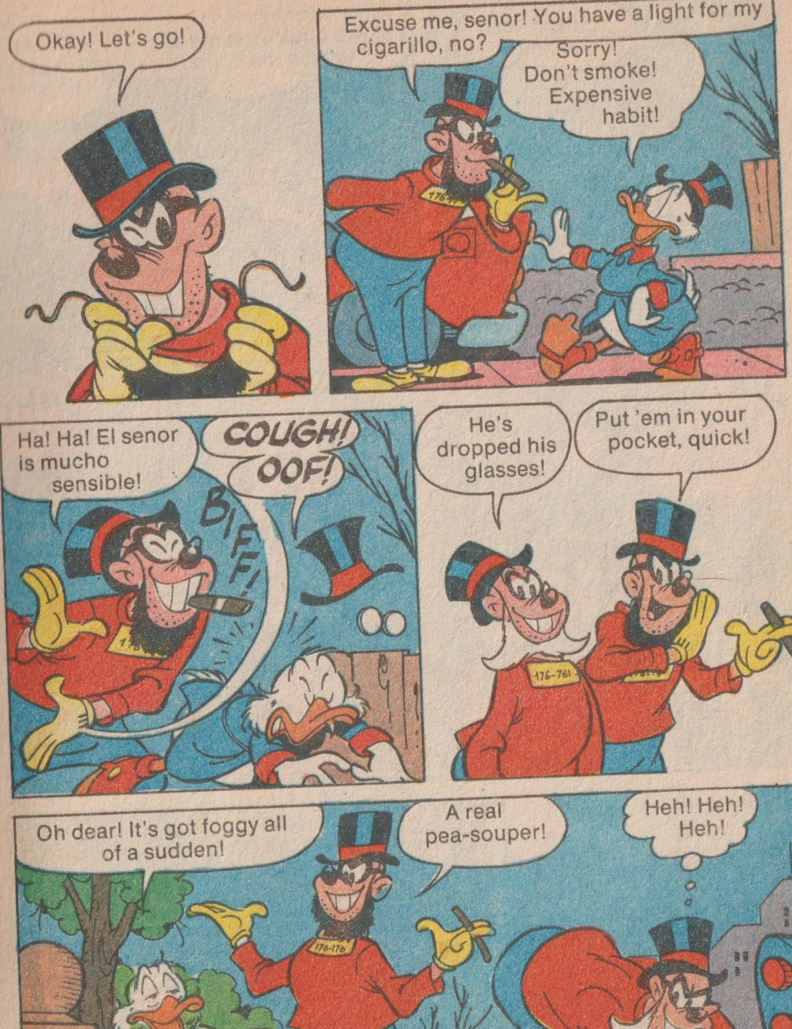
I say, boys. .
If you're about to ask us to push you, the answer's no!
Hmm. . . not even for a **small** reward?
Junior Rangers **never** take bribes!
In that case, **I'll do it myself!**
I remember (puff!) in the Klondike days (puff) I used to . . .
. . . push hundreds of wagons of gold every day. . . and so on, **we know!**
313
Why didn't he tow it with his own car?
He didn't think of that!
I did. . . but I wasn't saying!
Well done! He needs to be taught a lesson!



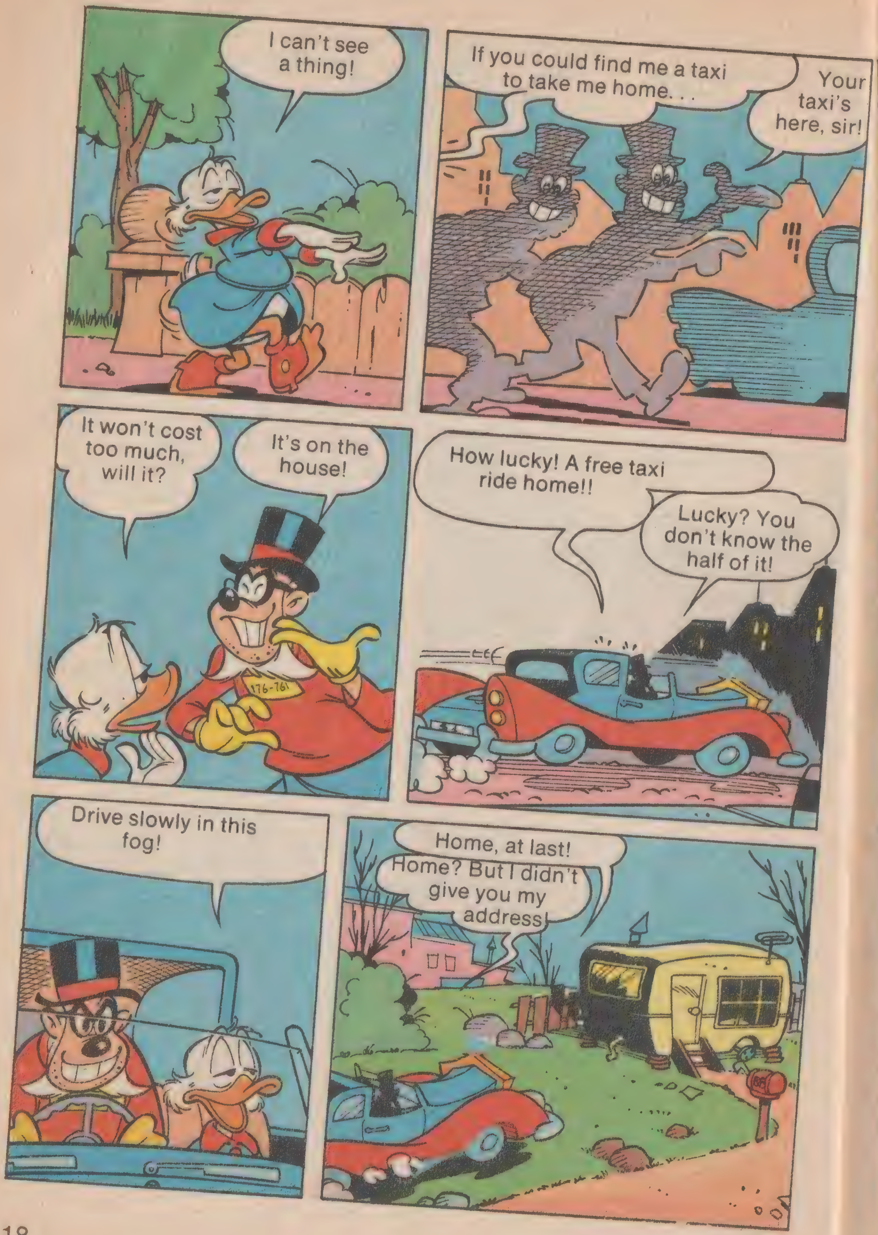
Phew! Home, at last!
Oof! I'm whacked!
That's odd! This place feels a bit empty!
. . . as if something was missing...
It's my million-dollar custom-built Quakillac! That's what's missing! **Stolen!**



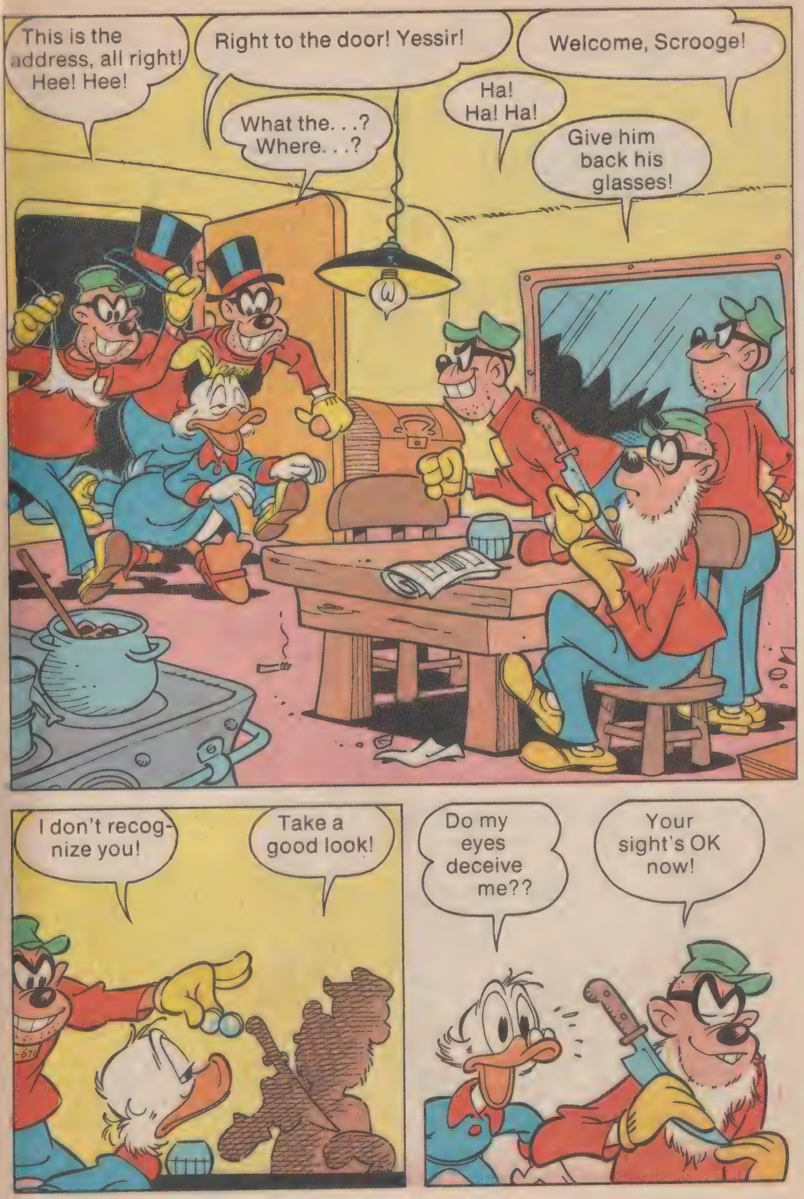
Of course! Now I remember! I left it in front of Donald's house!
I must get it back! I can't get by without it!
I hope to goodness it hasn't been stolen! My dear, faithful old Quackillac!!
It's dark now! I must hurry!
Here he comes! Get ready!



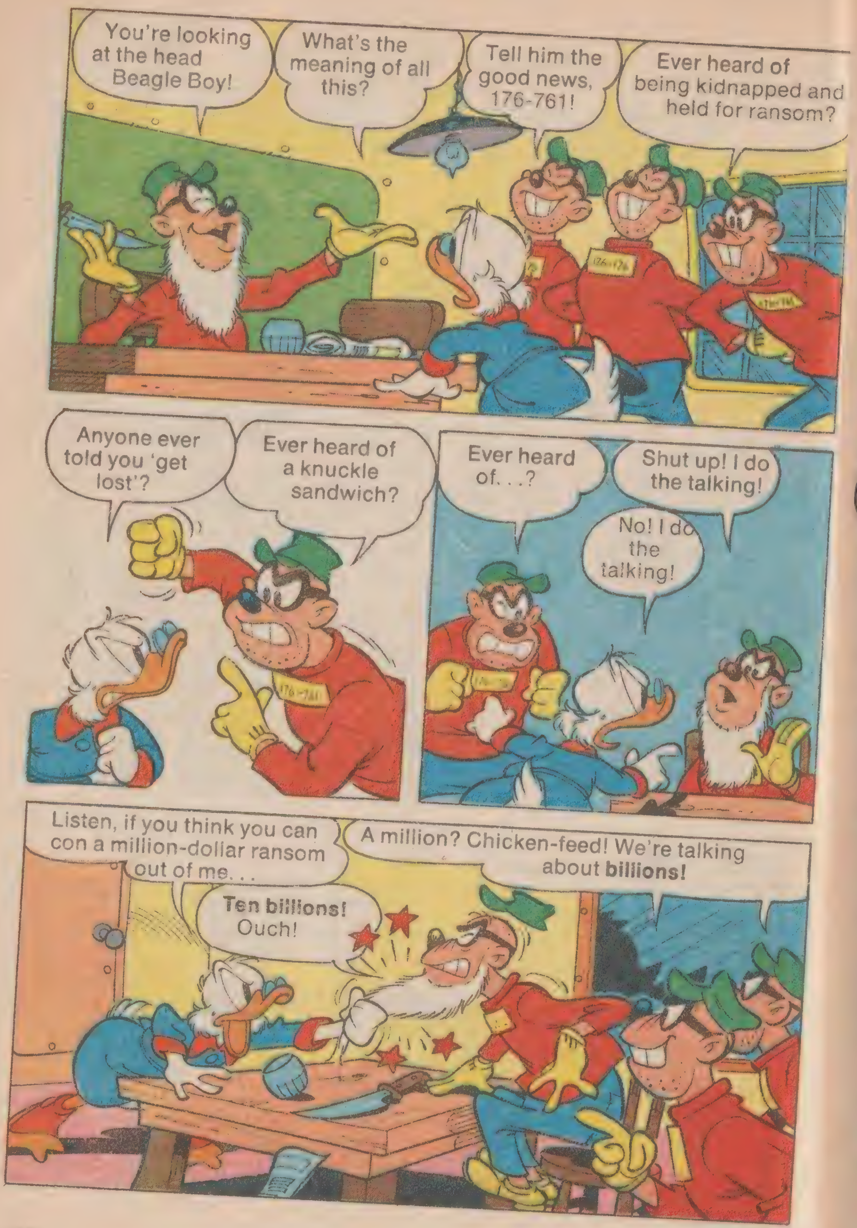
Okay! Let's go!
Excuse me, senor! You have a light for my cigarillo, no?
Sorry! Don't smoke! Expensive habit!
Ha! Ha! El senor is mucho sensible!
COUGH! OOF!
BIFF!
He's dropped his glasses!
Put 'em in your pocket, quick!
176-761
Oh dear! It's got foggy all of a sudden!
A real pea-souper!
Heh! Heh! Heh!
176-176



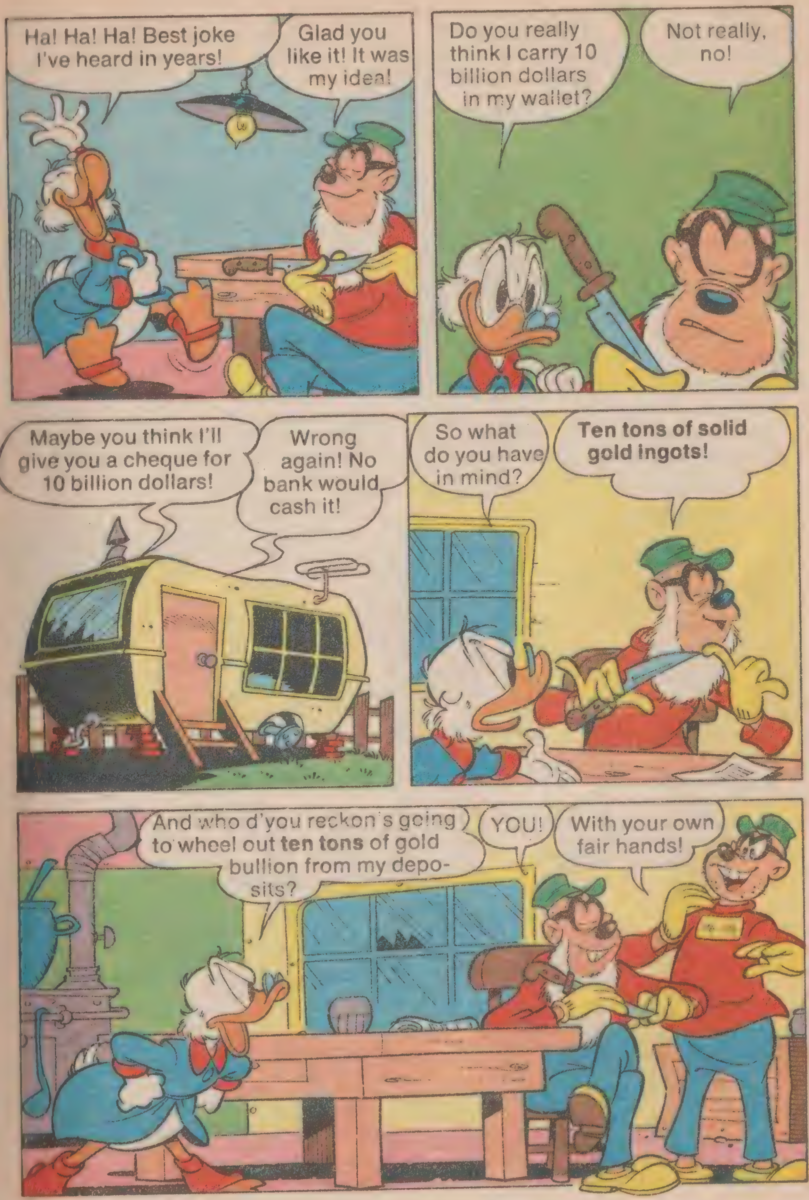
I can't see a thing!
If you could find me a taxi to take me home...
Your taxi's here, sir!
It won't cost too much, will it?
It's on the house!
How lucky! A free taxi ride home!!
Lucky? You don't know the half of it!
Drive slowly in this fog!
Home, at last!
Home? But I didn't give you my address!



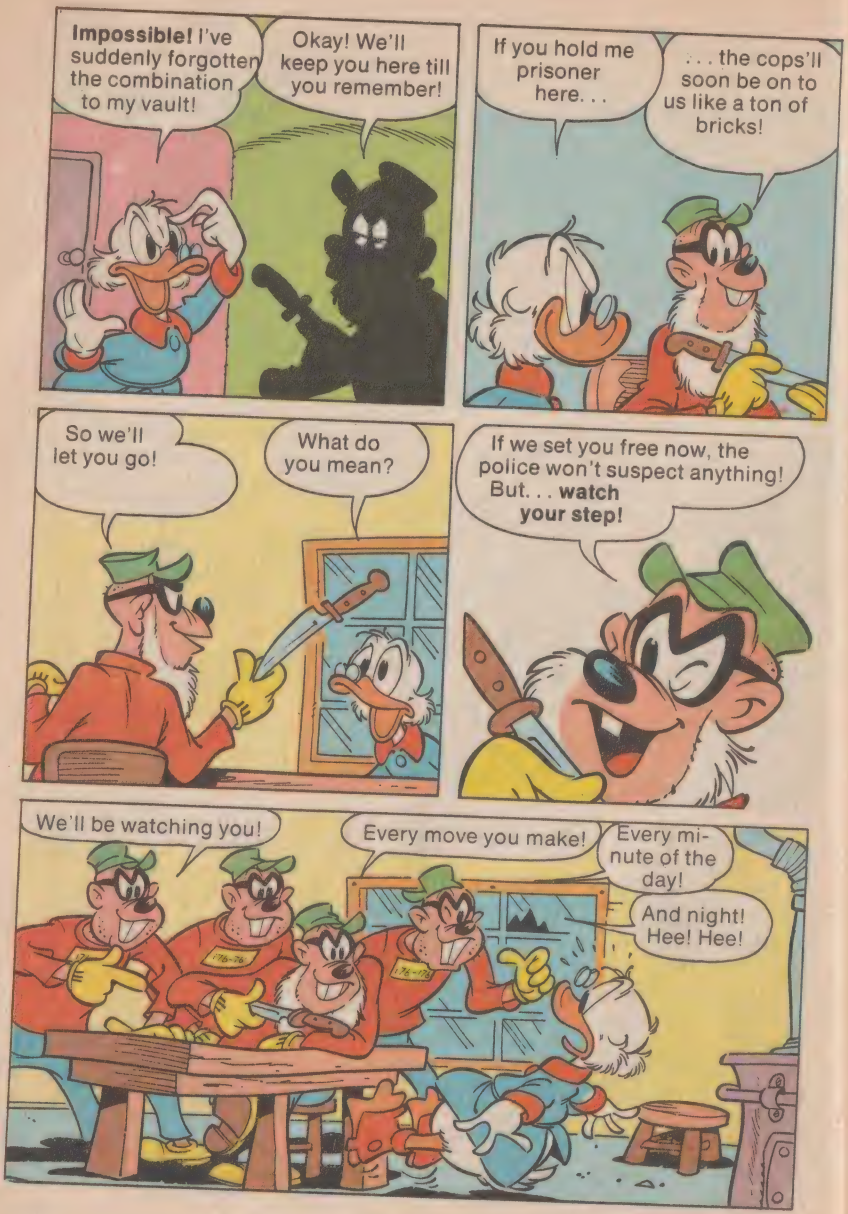
This is the address, all right! Hee! Hee!
Right to the door! Yessir!
Welcome, Scrooge!
What the...? Where...?
Ha! Ha! Ha!
Give him back his glasses!
I don't recognize you!
Take a good look!
Do my eyes deceive me??
Your sight's OK now!



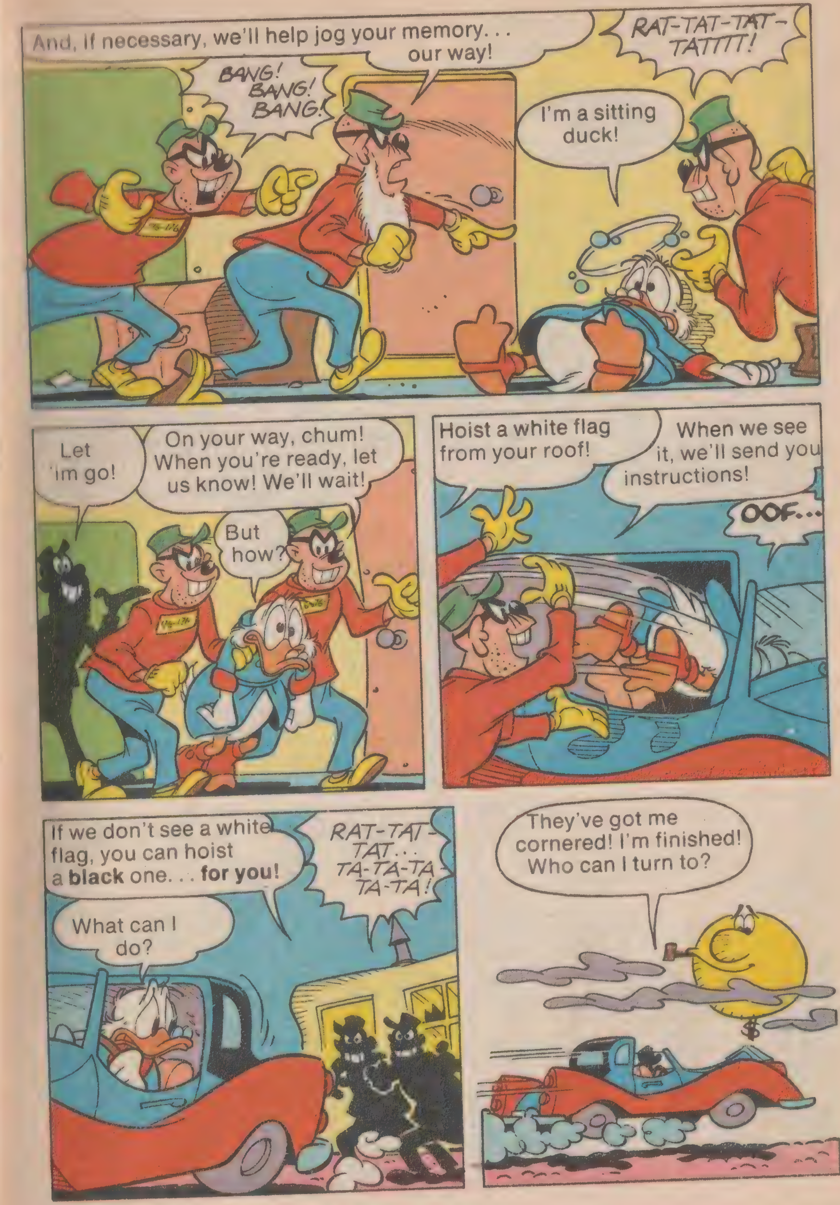
You're looking at the head Beagle Boy!
What's the meaning of all this?
Tell him the good news, 176-761!
Ever heard of being kidnapped and held for ransom?
Anyone ever told you 'get lost'?
Ever heard of a knuckle sandwich?
Ever heard of. . .?
Shut up! I do the talking!
No! I do the talking!
Listen, if you think you can con a million-dollar ransom out of me. . .
A million? Chicken-feed! We're talking about **billions!**
Ten billions! Ouch!



Ha! Ha! Ha! Best joke I've heard in years!
Glad you like it! It was my idea!
Do you really think I carry 10 billion dollars in my wallet?
Not really, no!
Maybe you think I'll give you a cheque for 10 billion dollars!
Wrong again! No bank would cash it!
So what do you have in mind?
Ten tons of solid gold ingots!
And who d'you reckon's going to wheel out **ten tons** of gold bullion from my deposits?
YOU!
With your own fair hands!

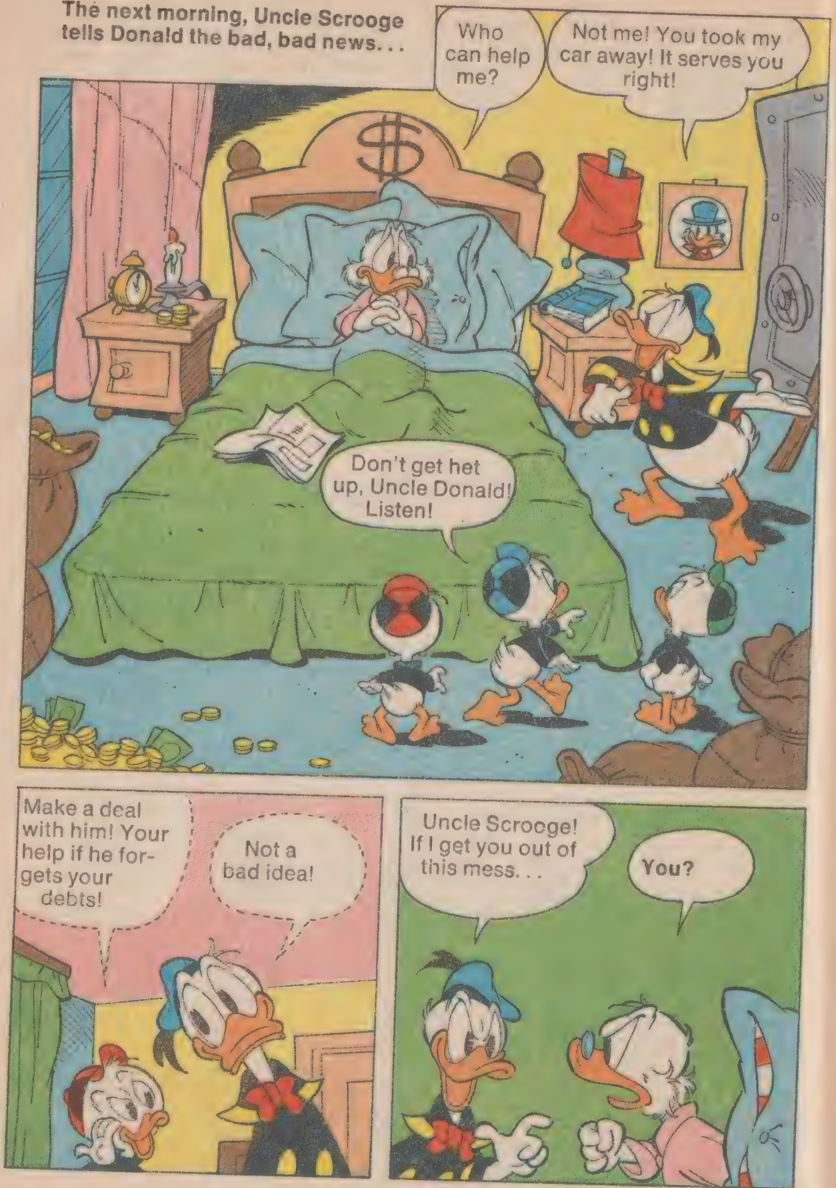


Impossible! I've suddenly forgotten the combination to my vault!
Okay! We'll keep you here till you remember!
If you hold me prisoner here. . .
. . . the cops'll soon be on to us like a ton of bricks!
So we'll let you go!
What do you mean?
If we set you free now, the police won't suspect anything! But. . . **watch your step!**
We'll be watching you!
Every move you make!
Every minute of the day!
And night! Hee! Hee!

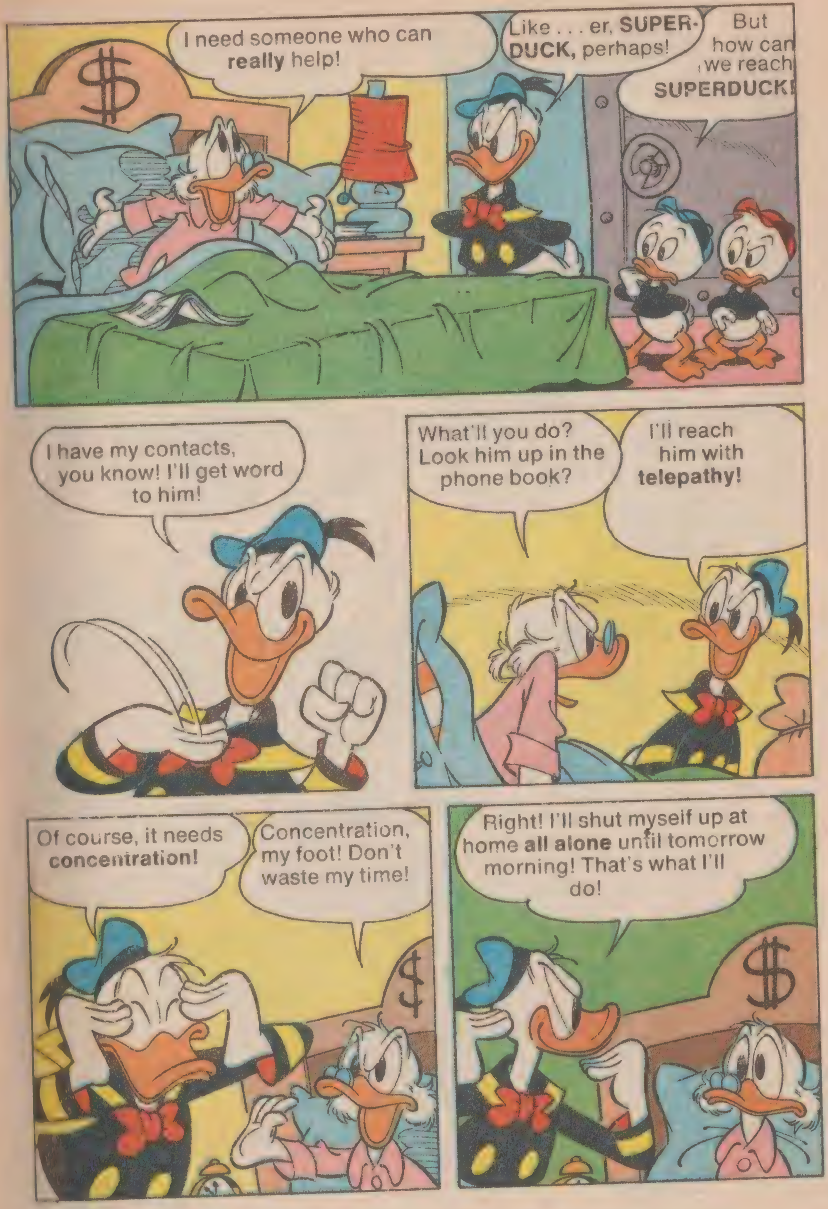


And, if necessary, we'll help jog your memory. . . our way!
RAT-TAT-TAT-TATTTT!
BANG! BANG! BANG!
I'm a sitting duck!
Let 'im go!
On your way, chum! When you're ready, let us know! We'll wait!
But how?
Hoist a white flag from your roof!
When we see it, we'll send you instructions!
OOF. . .
If we don't see a white flag, you can hoist a **black** one. . . **for you!**
RAT-TAT-TAT. . TA-TA-TA TA-TA!
What can I do?
They've got me cornered! I'm finished! Who can I turn to?

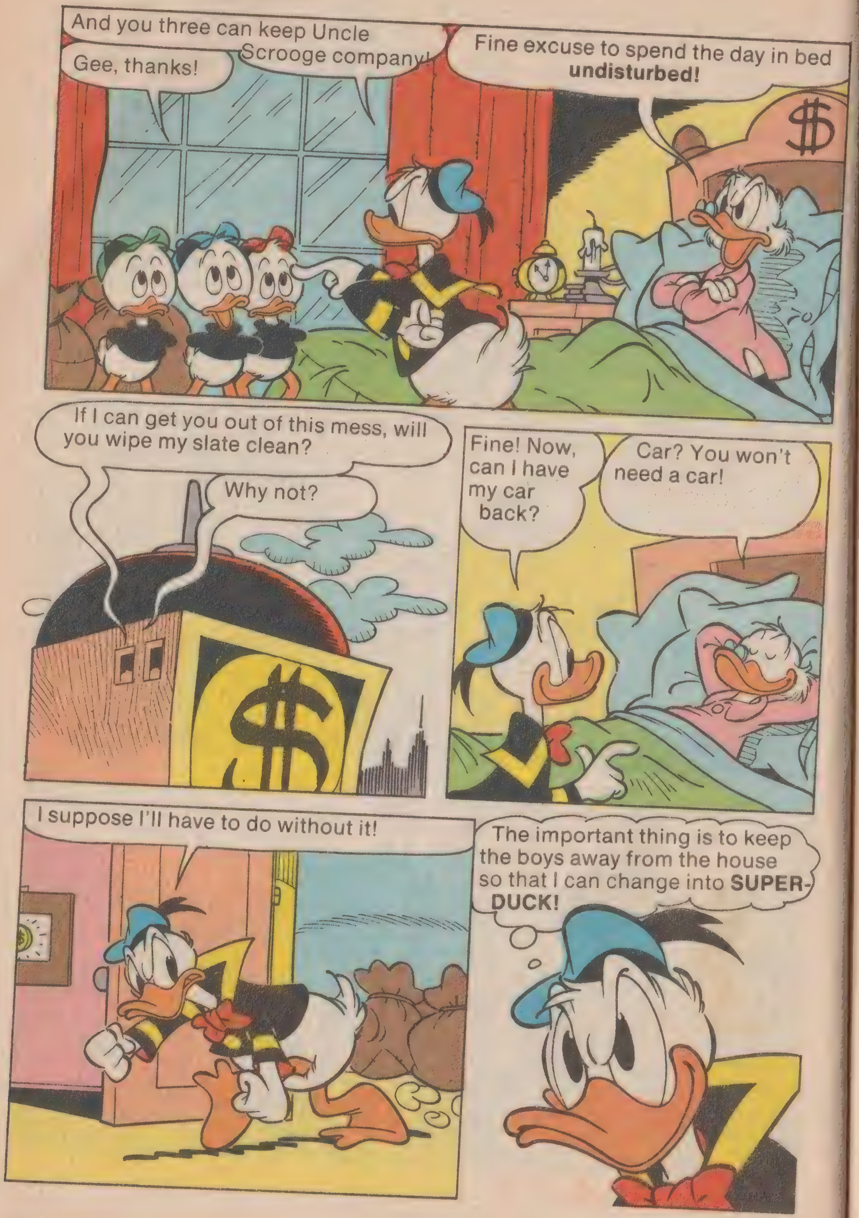
The next morning, Uncle Scrooge tells Donald the bad, bad news. . .



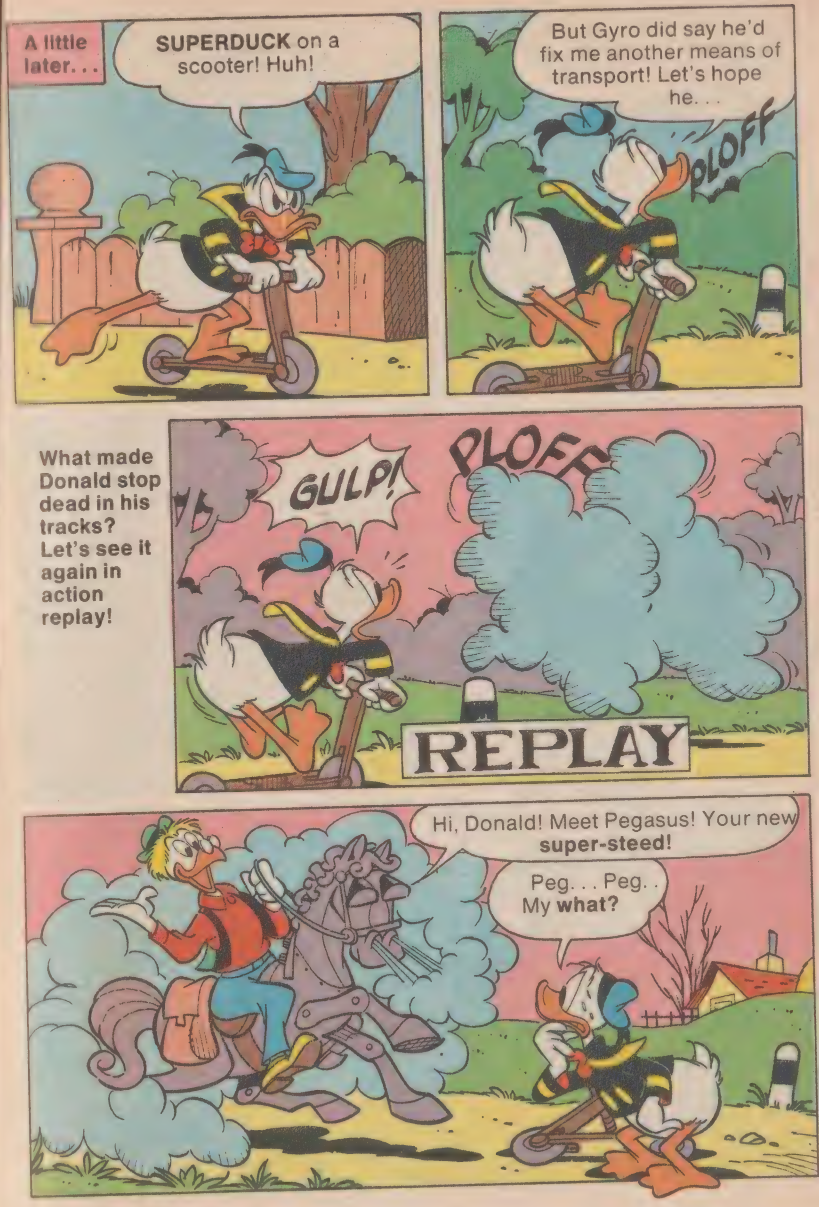
Who can help me?
Not me! You took my car away! It serves you right!
Don't get het up, Uncle Donald! Listen!
Make a deal with him! Your help if he forgets your debts!
Not a bad idea!
Uncle Scrooge! If I get you out of this mess. . .
You?



I need someone who can **really** help!
Like . . . er, **SUPER-DUCK,** perhaps!
But how can we reach **SUPERDUCK**
I have my contacts, you know! I'll get word to him!
What'll you do? Look him up in the phone book?
I'll reach him with **telepathy!**
Of course, it needs **concentration!**
Concentration, my foot! Don't waste my time!
Right! I'll shut myself up at home **all alone** until tomorrow morning! That's what I'll do!



And you three can keep Uncle Scrooge company!
Gee, thanks!
Fine excuse to spend the day in bed **undisturbed!**
If I can get you out of this mess, will you wipe my slate clean?
Why not?
Fine! Now, can I have my car back?
Car? You won't need a car!
I suppose I'll have to do without it!
The important thing is to keep the boys away from the house so that I can change into **SUPERDUCK!**



A little later. . .
SUPERDUCK on a scooter! Huh!
But Gyro did say he'd fix me another means of transport! Let's hope he. . .

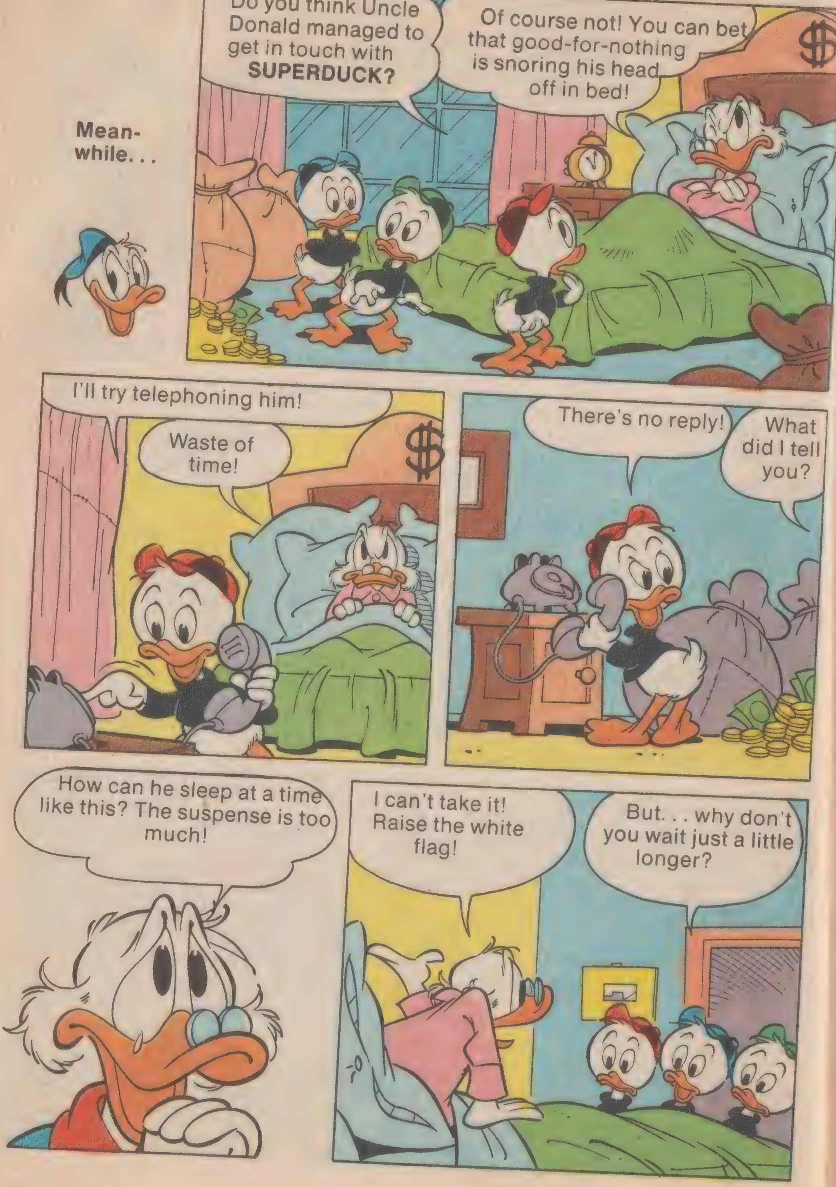
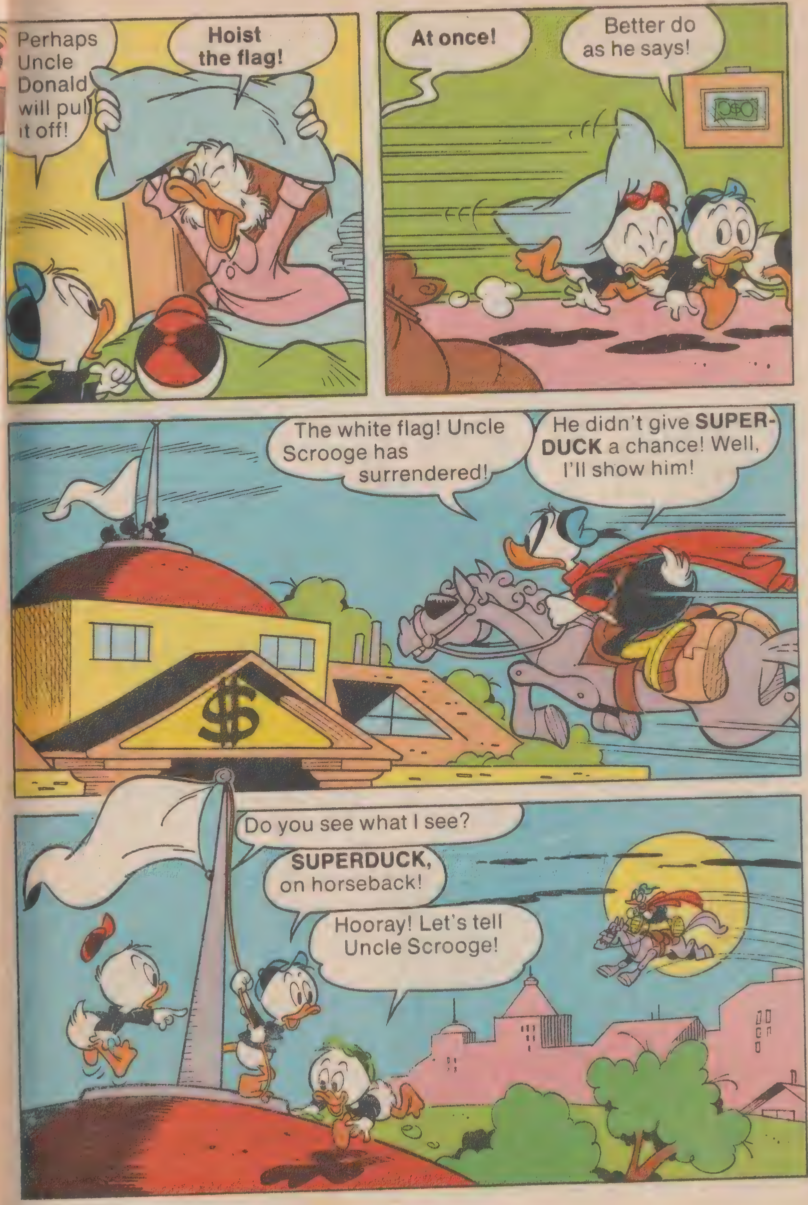
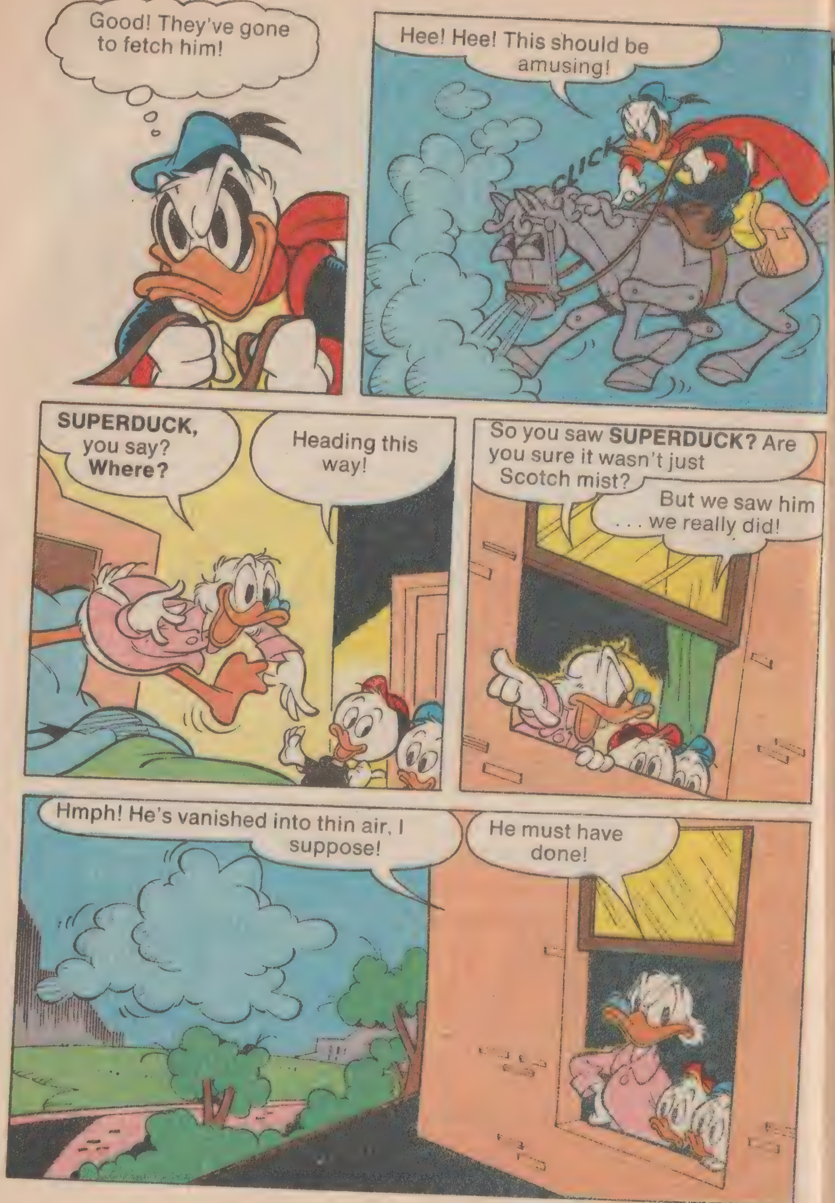
YIPPEEE! SUPER-DUCK RIDES AGAIN!
Good luck!



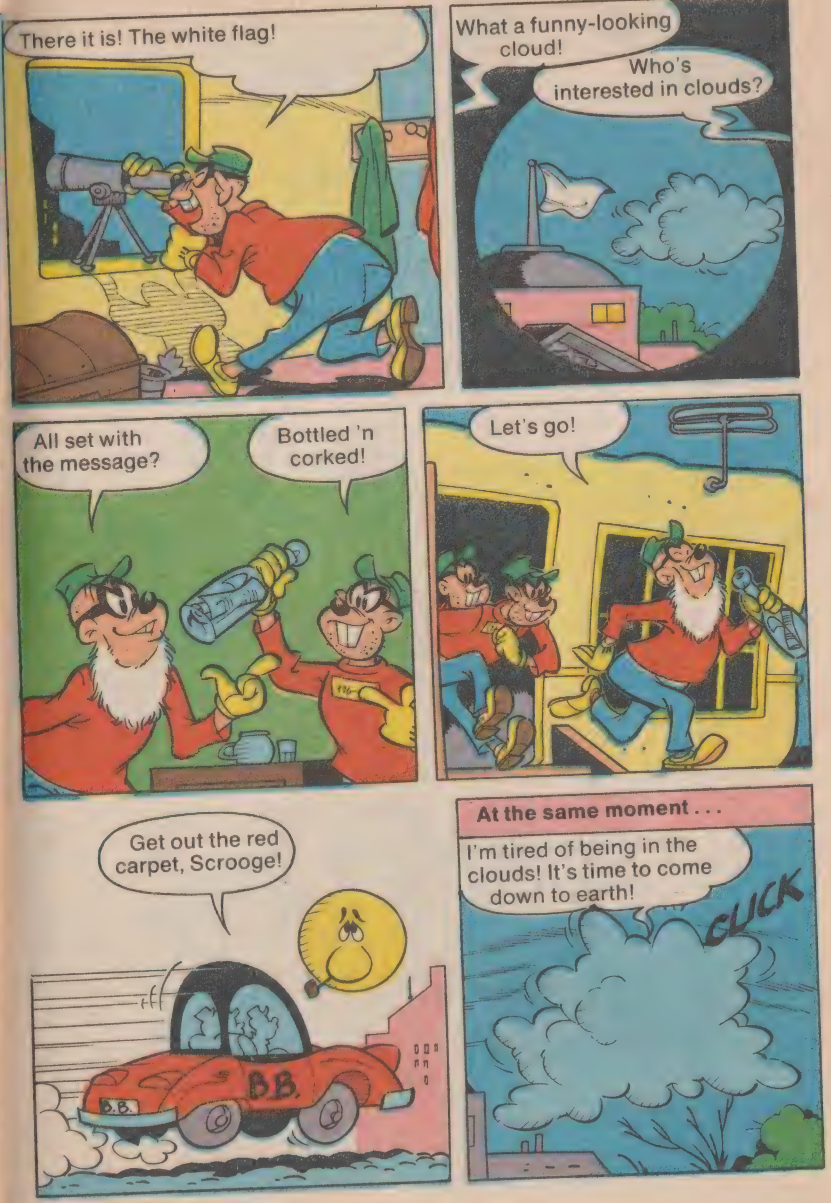
Mean-while. . .
Do you think Uncle Donald managed to get in touch with **SUPERDUCK?**
Of course not! You can bet that good-for-nothing is snoring his head off in bed!
I'll try telephoning him!
Waste of time!
There's no reply!
What did I tell you?
How can he sleep at a time like this? The suspense is too much!
I can't take it! Raise the white flag!
But. . . why don't you wait just a little longer?



Perhaps Uncle Donald will pull it off!
Hoist the flag!
At once!
Better do as he says!
The white flag! Uncle Scrooge has surrendered!
He didn't give **SUPERDUCK** a chance! Well, I'll show him!
Do you see what I see?
SUPERDUCK, on horseback!
Hooray! Let's tell Uncle Scrooge!



Good! They've gone to fetch him!
Hee! Hee! This should be amusing!
CLICK
SUPERDUCK, you say? Where?
Heading this way!
So you saw SUPERDUCK? Are you sure it wasn't just Scotch mist?
But we saw him . . . we really did!
Hmph! He's vanished into thin air, I suppose!
He must have done!



There it is! The white flag!
What a funny-looking cloud!
Who's interested in clouds?
All set with the message?
Bottled 'n corked!
Let's go!
Get out the red carpet, Scrooge!

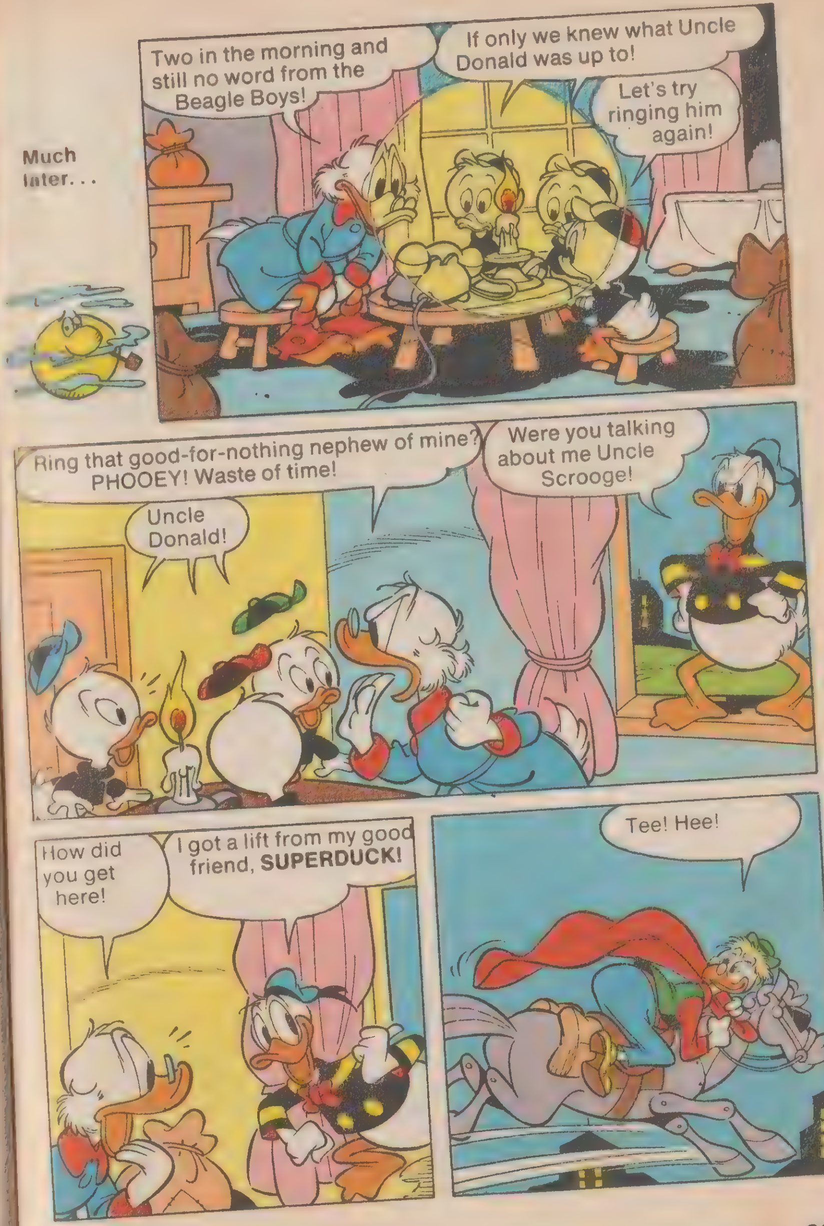
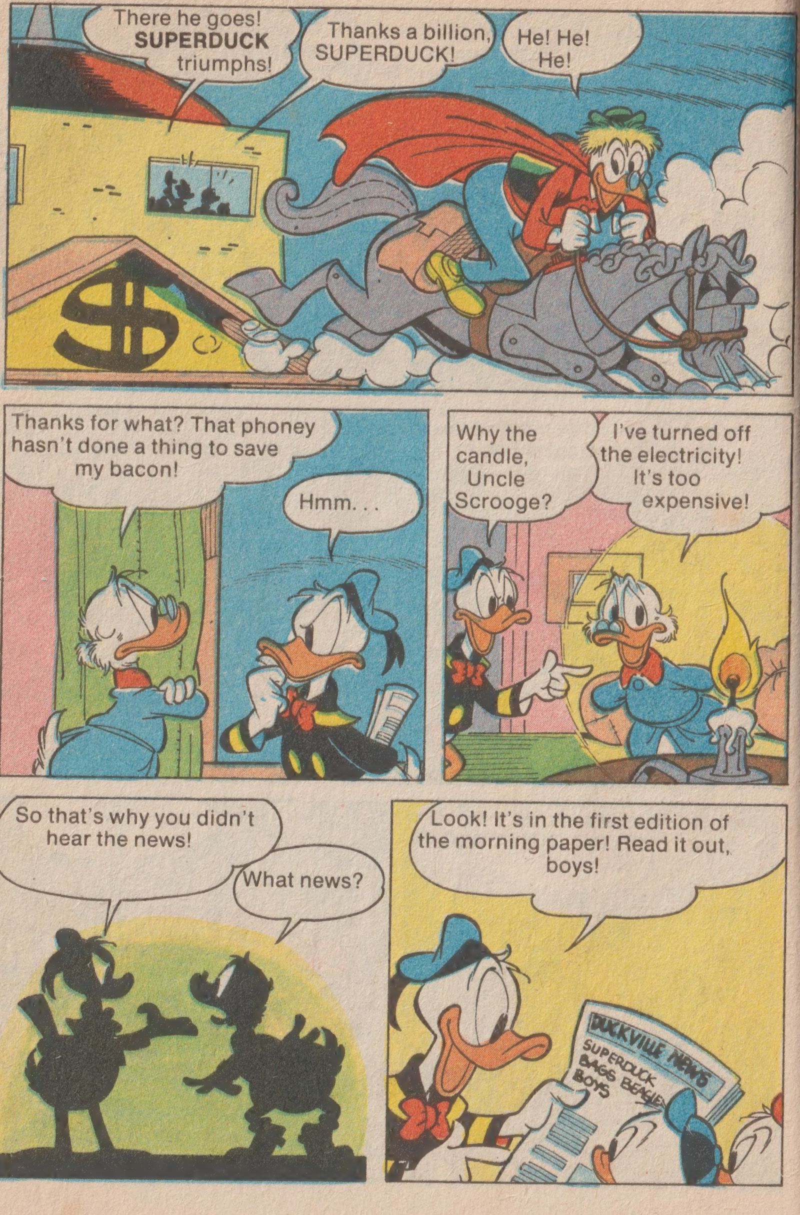
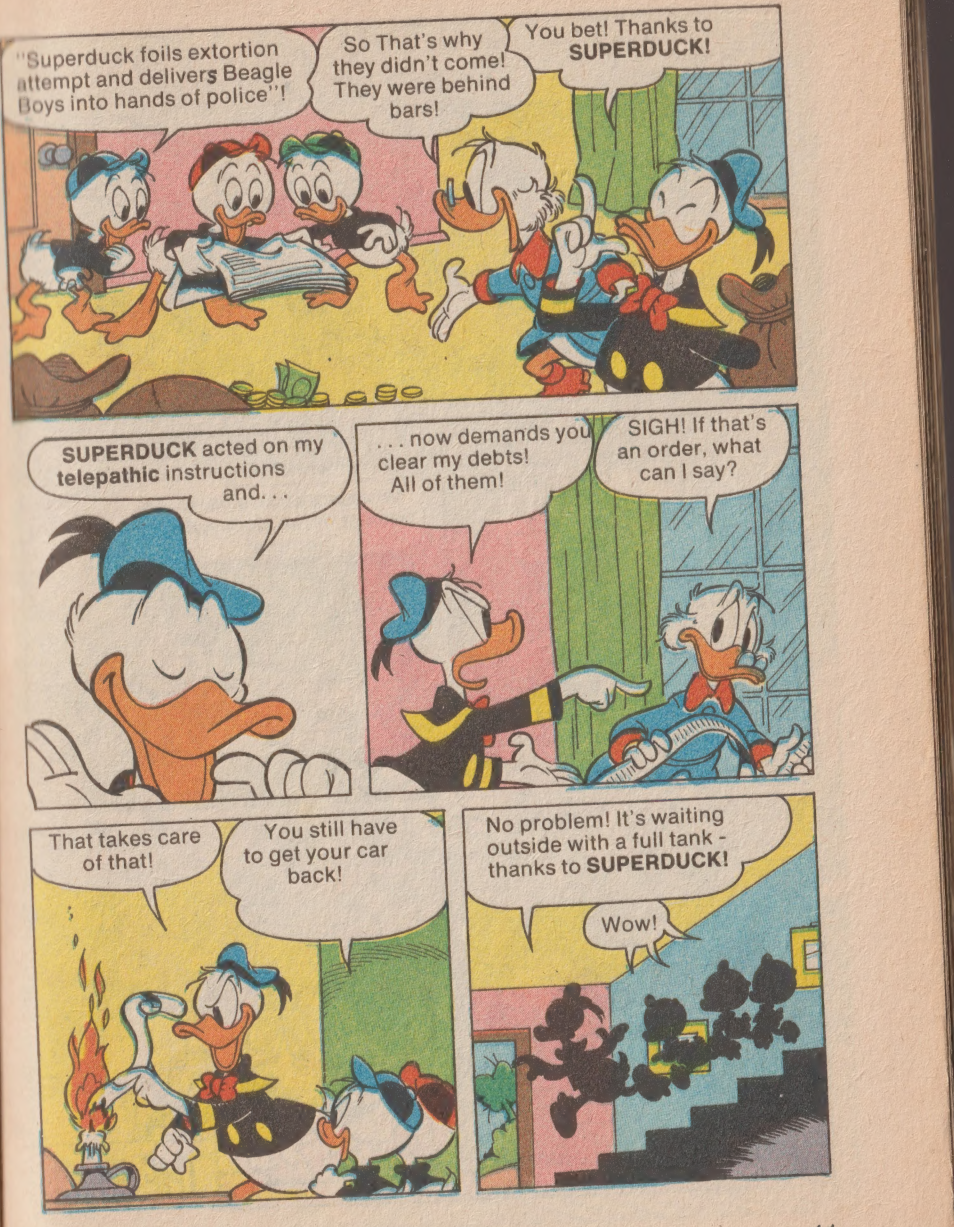
I'll use my own horse-power!
Pity I won't be out in time for the next Olympics!



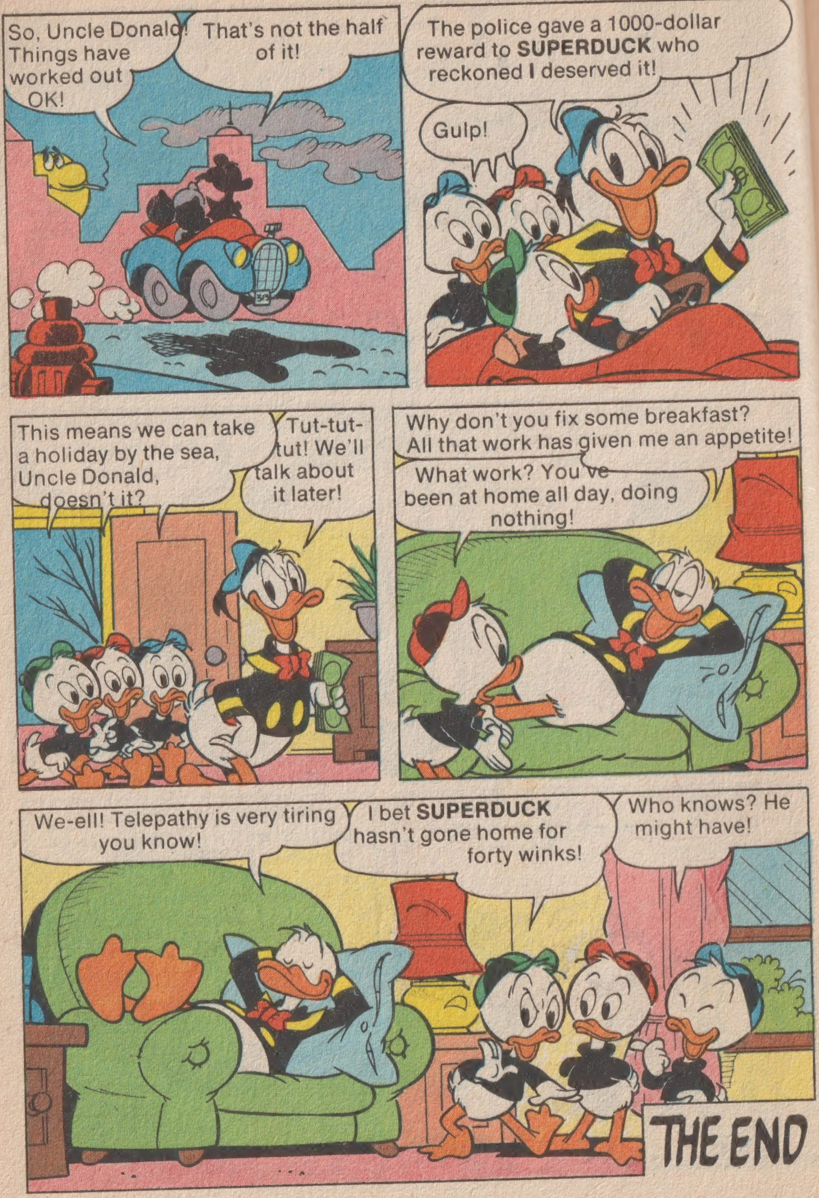
Much later. . .
Two in the morning and still no word from the Beagle Boys!
If only we knew what Uncle Donald was up to!
Let's try ringing him again!
Ring that good-for-nothing nephew of mine? PHOOEY! Waste of time!
Were you talking about me Uncle Scrooge!
Uncle Donald!
How did you get here!
I got a lift from my good friend, **SUPERDUCK!**
Tee! Hee!



There he goes! **SUPERDUCK** triumphs!
Thanks a billion, SUPERDUCK!
He! He! He!
Thanks for what? That phoney hasn't done a thing to save my bacon!
Hmm. . .
Why the candle, Uncle Scrooge?
I've turned off the electricity! It's too expensive!
So that's why you didn't hear the news!
What news?
Look! It's in the first edition of the morning paper! Read it out, boys!
DUCKVILLE NEWS
SUPERDUCK BAGS BEAGLE BOYS



"Superduck foils extortion attempt and delivers Beagle Boys into hands of police"!
So That's why they didn't come! They were behind bars!
You bet! Thanks to **SUPERDUCK!**
SUPERDUCK acted on my **telepathic** instructions and. . .
. . . now demands you clear my debts! All of them!
SIGH! If that's an order, what can I say?
That takes care of that!
You still have to get your car back!
No problem! It's waiting outside with a full tank - thanks to **SUPERDUCK!**
Wow!



So, Uncle Donald! Things have worked out OK!
That's not the half of it!
The police gave a 1000-dollar reward to **SUPERDUCK** who reckoned **I** deserved it!
Gulp!
This means we can take a holiday by the sea, Uncle Donald, doesn't it?
Tut-tut-tut! We'll talk about it later!
Why don't you fix some breakfast? All that work has given me an appetite!
What work? You've been at home all day, doing nothing!
We-ell! Telepathy is very tiring you know!
I bet **SUPERDUCK** hasn't gone home for forty winks!
Who knows? He might have!
